THERE WERE A GREAT MANY CHANGES to the Toronto Blue Jays in 2002; changes in the front office, a change of managers and a radically overhauled roster. While the results may have been a second consecutive sub .500 season, the 2002 team provided its fans with plenty of optimism for the future. Like the Blue Jays of 1982 (who also posted a record of 78-84), the team finished the season on a high thanks to the production of several promising youngsters.

The changes in 2002 actually began on November 14, 2001, when, after a lengthy search, team president Paul Godfrey announced that he had hired J.P. Ricciardi as the Blue Jays' new general manager. Having worked with the Oakland A's since 1985,

Ricciardi was well-schooled in the art of running a successful team on a tight budget. He set out immediately on his task to establish a foundation on which to build for the future.

The 2002 season began on a positive note with wins in Boston and at home but there would be few more high points in April as the Blue Jays lost their next five games in a row and finished the month with a record of 8-16. Their win total was the lowest in a full opening month since the Blue Jays of 1983 went 8-10. May was little better, as the team won just 10 of 27 games. June opened with the Jays completing a three-game sweep of the Tigers, but Ricciardi decided it was time for another change. On June 3, Buck Martinez was replaced as manager. Carlos Tosca became the new man in charge.

Originally hired as the third base coach on December 10, 2001, Tosca became the ninth full-time manager in Blue Jays history. He is just the fifth native of Cuba to manage a major league club, and only the sixth ML manager without professional playing experience. He had, however, managed almost 1,800 games at the minor league level since 1980 and had spent three years (1998 to 2000) as a coach with the Arizona Diamondbacks. Tosca was seen as a skipper who could both lead and teach a team of youngsters. His more hands-on approach resulted in great improvement over the second half of the schedule. From the All-Star break on, the Blue Jays went 44-32. As late as August 23, the Blue Jays trailed third-place Baltimore by 10 games in the American League East Division standings. Over the remainder of the season, the Jays made up 21 games on the Orioles and finished the year 11 games in front of them. The Blue Jays were at their very best as the schedule concluded, finishing out the year with a seven-game winning streak — their longest of the season.

Under rookie batting coach Mike Barnett, the Blue Jays emphasized more disciplined plate appearances as several hitters enjoyed breakthrough years. In his first full season at the major league level, 23-year-old Vernon Wells hit .275 with 23 home runs and became the youngest player in team history to drive in 100 runs. Chris Woodward set career highs in all offensive categories hitting .276 with 13 homers and 45 RBIs in just 90 games. On August 7, he became the 15th shortstop in major league history to hit three home runs in a single game. Orlando Hudson took over at second base late in the season and batted .276. Like Hudson, Josh Phelps started the 2002 campaign in Syracuse, but was called up to Toronto in July. He batted .309 and had 15 homers and 58 RBIs in just 74 games played. He was named American League Rookie of the Month in both August and September, yet he was only the second best rookie in Toronto in 2002. Top honors went to AL Rookie of the Year Eric Hinske. The 25-year-old newcomer established club rookie records for runs (99), doubles (38),

Roy Halladay allowed two earned runs or less in 23 of his 34 starts last season. He allowed one earned run or less in 16 of those starts. He pitched one complete game shutout.

home runs (24), RBIs (84), total bases (272), extra-base hits (64) and walks (77). His home run and RBI totals led all major league rookies, while his 13 stolen bases tied him for top spot among AL freshman. Over the course of the season, Hinske also showed tremendous improvement defensively at third base.

Two key veterans also added spark to the Blue Jays offense in 2002. Carlos Delgado ranked among the American League leaders in both home runs (33) and RBIs (108). He became the first player in club history to hit 30 homers for six straight seasons. He also surpassed George Bell for the team's all-time lead in RBIs and recorded the 1,000th hit of his career. Shannon Stewart batted .303 to join Roberto Alomar as the only player in franchise history with four consecutive .300 seasons. He and Delgado both topped 100 runs scored for the fourth year in a row, also a team record.

Yet another outstanding rookie story in Toronto in 2002 was that of Ken Huckaby. A 31-year-old survivor of 11 minor league seasons, Huckaby was behind the plate for 88 games with the Blue Jays and impressed with his ability at handling the pitching staff.

A year after being sent back to the minors to overhaul his delivery, Roy Halladay emerged as the undisputed ace of the Blue Jays staff. Building on his fine performance in the home opener, Halladay went on to post a record of 19-7 with an earned run average of 2.93. He finished among the AL leaders in both wins and ERA, while topping the circuit with 239.1 innings pitched.

Pete Walker's 10 victories were second behind Halladay on the Blue Jays staff. Like Ken Huckaby, Walker was a veteran minor leaguer who finally got a chance to show his stuff in Toronto. Making 20 starts and 17 appearances out of the bullpen, Walker put together a 10-5 record after behind claimed on waivers from the New York Mets. Justin Miller (acquired from Oakland in the Hinske trade) went 9-5,

though his ERA was 5.54. Lefty Mark Hendrickson, a former professional basketball player, was added to the rotation late in the season. He went 3-0 as a starter with a 1.04 ERA in 26 innings over four games. Cliff Politte proved himself to be a valuable setup man, making 55 appearances out of the bullpen after being acquired on May 26 allowing just 38 hits in 57.1 innings, limiting right-handed batters to a .154 average and left-handers to .220. His ratio of 5.97 hits allowed per nine innings was second best among all relief pitchers in the American League. Twenty of Politte's 25 holds came in front of saves by Kevim Escobar.

In his first full season as the team's closer, Escobar pitched in a career-high 76 games and recorded 38 saves. He had 85 strikeouts in 78 innings, but he also had seven losses and eight blown saves. Escobar often made games an adventure before settling down later in the season. He had 18 saves in his final 20 opportunities from August 4 through the end of the year, and was the AL Rolands Relief Pitcher of the Month in September. Escobar's 11 saves in September tied the club record for the most saves in one month (matching Billy Koch's mark from August of 1999), while his 38 saves overall were the second most in franchise history, behind Duane Ward's record 45 back in 1993.

TORONTO BLUE JAYS OWNERSHIP

On March 26, 1976, the American League granted an expansion franchise to a group consisting of Labatt Breweries, Imperial Trust Limited and The Canadian Imperial Bank of Commerce. Both Labatt Breweries and Imperial Trust each controlled 45% of the team. The C.I.B.C. had the other 10% of the club. Imperial Trust was a holding company set up by the late R. Howard Webster, who was instrumental in the granting of the franchise in 1976. The Webster family still maintained their share of the ownership until selling their 45% to Labatt in November, 1991. The ownership then consisted of John Labatt Limited, 90% and Canadian Imperial Bank of Commerce, 10%. In June of 1995 John Labatt Limited was purchased by Interbrew S.A., Belgium's leading brewer.

In September of 2000, local ownership returned to the Toronto Blue Jays as Rogers Communications Inc. purchased 80% control of the franchise. John Labatt Limited (Interbrew) maintains a 20% interest while The Canadian Imperial Bank of Commerce relinquished their stake. Rogers Communications, headed by Ted Rogers, joins the ranks of North American communication companies such as Time Warner, NewsCorp and Disney in their ownership of sports franchises.

WORLD SERIES RINGS

The Toronto Blue Jays commissioned Tiffany & Co., the world-renowned purveyor of fine jewellery, timepieces, and arts of the table to design rings commemorating both their 1992 and 1993 World Series victories.

To commemorate the 1992 Blue Jays victory, the 14 karat gold ring's design features the team's logo: the head of a Blue Jay with a maple leaf on a baseball backdrop. The eye of the bird is set with a solitaire diamond. Sixteen diamonds representing each year of the club's history surround the bird and the maple leaf is enamelled in red to match the team's official colour. The inscription of World Champions 1992 wraps around the bezel. One side depicts the team's name - Toronto Blue Jays - set in two lines across the top. The 1992 World Series logo is set in a maple leaf with the inscription - Canada's 1st - positioned below the logo denoting the first Canadian World Series victory. The other side depicts the player's name and the jersey number, the American League logo and the team's 1992

season attendance record - 4,028,318 - positioned below the American League logo. Each side of the ring is accented with two rows representing the stitches of a baseball.

The 1993 World Series Championship ring features the symbols of the Toronto Blue Jays and Canada. A field of 45 diamonds in a pave style setting surrounds the Toronto Blue Jays' logo: the head of a Blue Jay enamelled in the team's official colours overlapping another Blue Jay in gold. The eye of the Blue Jay is set with a diamond solitaire stone. Two Maple Leafs, enamelled in red, symbolize Canada's back-to-back World Series victories. Two baseballs overlay each other in the background. Each ring is personalized with each player's name and jersey number, and incorporating the American League logo and the World Series logo with the inscription "Back to Back" and the years 92-93.

The Blue Jays were named in a contest conducted in June and July of 1976. Over 30,000 individual entries were received, suggesting over 4,000 names for the new American League club. From the list of names submitted, specially-appointed panels of judges selected ten names to submit to the Board of Directors. The Directors chose the name "Blue Jays" from that list and announced their decision on August 12th, at which time the team officially became the Toronto Blue Jays Baseball Club.

A total of 154 people submitted the name "Blue Jays" and a drawing was held to select a grand prize winner from those who submitted the name. Missed 30 games after being placed on the disabled list on July 16 with hairline fracture of right kneecap, suffered on July 15 in a collision with Seattle shortstop Carlos Guillen. PROFESSIONAL CAREER: 1986: Signed in the summer as a non-drafted free agent on July 10 after A's scout J.P. Ricciardi and Oakland's former Director of Scouting, Dick Bogard, saw him in the Cape Cod League. After signing he moved in as Medford's everyday shortstop. **1987:** Enjoyed an outstanding season at Modesto (A) of the California League. Was the top fielding shortstop in the league (.968) and batted .268 with then career-highs in doubles (17), homers (3), RBI (75) and walks (87). **1988:** Moved up to Huntsville (AA) of the Southern League and batted .270 with 87 walks. For the first time in his professional career he played both second base (69 games) and shortstop (64 games). Also played one game at third base. **1989:** Spent the season at Tacoma (AAA) of the Pacific Coast League. Hit .240 and saw extensive action at both second base (67 games) and shortstop (64 games). **1990:** Earned a spot on the A's Opening Day roster. Had two stints with the Oakland during the season. Played 10 games in April at second, third and short. When the roster was reduced on April 30 he was optioned to Tacoma (AAA). Returned to the A's in September when the rosters expanded. Recorded his first Major League hit in his first at-bat after his return, a single off Jeff Robinson on September 8 in New York. Made first big league start on September 10 at Seattle. Was not on Oakland's post-season roster but when Walt Weiss went down with a knee injury in the ALCS, Bordick was activated for the World Series. Did not have an at-bat in the Series. **1991:** Opened the year at Tacoma (AAA) of the Pacific Coast League but was recalled by the Athletics on June 7, the day after Weiss tore ligaments in his ankle. Installed as Oakland's everyday shortstop on 7/2 and started there in 81 of the final 85 games of the season. Played in 5 games, with one start, at second base. Average slipped to .191 on 7/28 but over his final 62 games he batted .257 with 14 of his 21 RBI. **1992:** Topped the Oakland club and finished 10th in the league with a .300 batting average. Also led the team in hits (151), multi-hit games (41) and games (154). Became only the second infielder in Oakland A's history to hit .300 or better. Only Carney Lansford (three times) had done it before Mike. With the injury suffered by Walt Weiss at the beginning of the year, Mike was the A's everyday shortstop to open the season and when Walt Weiss returned to action in early June, Bordick moved to second base and wound up making 83 starts at second base and 66 starts at shortstop. Started all six games of the ALCS against Toronto, including four games at short and two games at second. Was leading the league in batting for eight days, May 25-June 1. Was not named to the All-Star Team despite a .314 average at the break but received over 50,000 write-in votes, the top write-in number in the majors that year. **1993:** For the first time he spent the season as Oakland's everyday shortstop and finished second among AL shortstops with a .982 fielding percentage behind only Kansas City's Greg Gagne. Was third in the majors in fielding behind Gagne and Pittsburgh's Jay Bell. Only Cal Ripken started more games at shortstop. Tied Walt Weiss' club record for most consecutive errorless games by a shortstop with a 59-game streak from July 7-September 10. For the second straight season he led the A's in games (159) and hit by pitch (11). Set career-highs in doubles (21) and walks (60). **1994:** For the third straight season he led the A's in

games played and was the only Oakland player to start every game. Included 110 starts at shortstop and four starts at second base. Was the first Athletic to start every game since Alfredo Griffin in 1986. Ranked fifth among AL shortstops with a .974 fielding mark. Average was not above .274 or below .253 after May 17. **1995:** Led AL shortstops in fielding for most of the season until four errors in his last seven games dropped him to fourth in the league. Finished with a then career-best .983 fielding mark (10 errors in 593 total chances). Had a streak of 37 consecutive errorless games, June 7-July 15. For the first season of his pro career he played exclusively at shortstop. Five of his eight career-high home runs either tied the game or put the A's ahead. Hit his first homer of the year at Camden Yards on June 4 and three of his eight home runs came off Orioles pitching. Was on the disabled list for the first time in his career, May 8-27 with a sprained right ankle. Ended a string of 148 consecutive starts dating back to September 11, 1993. Missed 17 games but came back to start 113 of the A's final 116 games. Had four RBI at Baltimore on June 4 to set a career high later matched vs. Seattle. On August 5 at the Oakland Coliseum he smacked his first career grand slam, off Mariners pitcher Salomon Torres and brought the Athletics back from a 4-0 deficit. Spent most of the season batting out of the number eight and nine slots (101 starts) but batted leadoff for the first time in his career (seven starts) and hit out of the number three position (eight starts). **1996:** Led American League shortstops with 474 assists and was second in the league with 121 double plays turned. Had a season-best 26-game errorless streak, June 9-July 7, and followed that up with a string of 21 straight errorless games. Was leading AL shortstops in fielding as late as August 31 but then made six errors in 23 games in September. Had a career-high 54 RBI, the most by an Oakland shortstop since Alfredo Griffin had 60 in 1987. On May 2 he was leading the league with a .500 (.13-26) average with runners in scoring position but went 23-for-120 in that situation the rest of the way to finish at .274. Missed consecutive starts on June 21-22, the first time he had done so without being on the disabled list since July 20-21, 1991. Batted .329 (25-76) in September. Compiled an 11-game hitting streak during the month, going 18-40 (.450). On the year he batted .381 (8-21) with the bases loaded. **1997:** Laid down 12 sacrifice bunts on the year, the third most in the American League. Matched his career-high with three runs scored on April 30 at Minnesota. Established a career-high with 425 assists, fifth among AL shortstops. He turned 95 double plays, fourth most in the league. Compiled a season-high eight-game hitting streak, June 27-July 5. Over that span he hit .346 (9-26). Batting average was below .200 as late as May 24. Reached a season-high .238 on the second to last day of the season. Over his final 27 games of the year he batted .330 (30-91), with eight multi-hit games. He went through a 1-34 slide, August 13-28. Collected his first hit as an Oriole on April 5 at Texas, after an 0-13 start. Drove in two runs April 30 at Minnesota after going his first 75 at-bats of the year without an RBI. On May 26 at New York he was ejected by home plate umpire Drew Coble after being called out on strikes. It was the first ejection of his career. Batted .400 (4-10) in the Orioles' Division Series win over Seattle. **1998:** Hit career-high 13 HR and 29 doubles and his .260 average was his highest since 1995. Led American League with 15 sacrifice bunts and tied for eighth in league with 23 Bunts in Play. It was the most sacrifice bunts by an Oriole since Bill Ripken had 17 in 1990. His career-best .990 (.7E/688TC) fielding percentage was second best among AL shortstops trailing only Cleveland's Vizquel (.993). Homered in consecutive games twice, the first two times of his career: May 13-14 vs. Cleveland and July 9-10 vs. Boston. FORFEIT GAME

The Blue Jays have played one forfeit game, a 9-0 decision vs. Baltimore on September 15, 1977. In that game Jim Clancy had held the Orioles to two-hits over five innings before Earl Weaver pulled his club off the field. His reason was that the larks on the Blue Jays bullpen created a hazard for his players.

1-2-3 IN BATTING RACE

In 1993 John Olerud (.363), Paul Molitor (.332) and Roberto Alomar (.326) finished the year first, second and third respectively in the American League batting race... It was just the third time in Major League history that three teammates had finished in that order - and the first since 1893. Alomar was in fourth place trailing Cleveland's Kenny Lofton heading into the last day of the regular season... Alomar then went 3-4 on the final day to finish .001 ahead of Lofton (.325)... The two other times that this feat occurred were: 1893- Philadelphia A's (Billy Hamilton- .380, Sam Thompson- .370 and Ed Delahanty- .368) & 1891- Boston Reds (Dan Brrouthers- .350, Hugh Duffy- .336 and Tom Brown- .321).

BIRTHPLACE Worcester, MA
RESIDENCE St. Petersburg, FL
BATS/THROWS R/R
HEIGHT/WEIGHT 6-5/200

PERSONAL: Single... Played baseball and basketball at Quinsigamond Community College in Worcester, Massachusetts... Graduated in 1988 from St. Peter Marian High

School in Worcester... In 2002 was named by T&L Golf Magazine one of the top golfers among major league baseball players with a five handicap... Was a frequent volunteer for

the Devil Rays off-season charitable functions, including the Winter Caravan... Originally signed by J.P. Ricciardi.

LAST SEASON: Rays Opening Day starter set a club-record with 224.0 innings pitched (7th in the AL), 22.0 innings more than previous club mark (202.0 by Rolando Arroyo in 1998). Had 315.1 career innings entering this season... Was Rays' fourth Opening Day pitcher in five years... Led all American League pitchers in losses (18), hits allowed (271), runs allowed (141) and walks (89)... First AL pitcher ever to lead the league in all four categories and fourth pitcher overall since 1900, others: Phil Neikro (Atlanta Braves, 1977 and 1979), Stony McGlynn (St. Louis Cardinals, 1907) and Togie Pittenger (Boston Braves, 1903)... All were club records except for walks - Tony Saunders holds club mark of 111 in 1998... 89 walks allowed equaled the fewest ever by an AL walk leader... His 18 losses were the most by an AL pitcher since Scott Erickson lost 19 for Minnesota in 1993... Albie Lopez lost 19 in 2001 between the Rays and Diamondbacks... His 271 hits allowed were the most by a major league pitcher since Brel Saberhagen also surrendered that many in 1988 for Kansas City (he won 14 games that season)... Only three pitchers in major league history logged as many innings as Sturtz and had as many or fewer wins: Jerry Koosman for the 1978 Mets (235 OIP, 3W), Joe Harris for the 1906 Boston Red Sox (235 OIP, 2W) and Kaiser Wilhelm for the 1905 Boston Beaneaters (242 OIP, 3W)... Opened the season with a career high eight-game losing streak (over 15 starts) until he defeated Toronto 4-2 on June 26 at Tropicana Field... Was the third longest losing streak in the AL behind Kansas City's Jeff Suppan and Boston's Frank Castillo who each had nine... Is a Rays record for most losses from start of the season (Bryan Rekar started 0-7 in 2001)... Was two shy of Rays overall losing streak of 10 by Albie Lopez in 2001... Became only the second Opening Day starter in Major League history to open the season with 15 consecutive winless starts... Atlanta's Carl Morton went 17 straight starts in 1976... Went 9.0 innings six times on the year, but only two resulted in decisions... Had a seven-start stretch from June 8 to July 11 in which he went 9.0 innings four times but did not have a CG or decision in any... That's the most in one season since John Tudor did it 5 times with St. Louis in 1986... On July 2 at Texas recorded the first complete game of his career (in his 56th start), in a losing effort to Kenny Rogers (3-1)... His lone career complete game win was August 23 at Chicago White Sox, 10-3 (1H, 2ER, 1BB, 6K)... Made a club-record 33 starts, passing Rolando Arroyo (1998) and Bobby Witt (1999) who each had 32... Rays went 9-24 in his starts... Also allowed a club-record 33 home runs (3rd in AL)... Owned the second lowest run support in the AL at 3.90 per 9.0 innings (97 in 224.0 IP)... Endured a five game losing streak until his second win on August 18 vs. Kansas City... His 5.18 ERA tied with the White Sox Dan Wright for the third highest among league qualifiers behind Sparks (5.52) and Suppan (5.32)... Allowed a .302 average against, second highest among league qualifiers to the Tigers' Sparks (.306)... Induced 26 GIDPs, fifth most in the AL... Had the briefest starting assignment of his career (non-injury related) July 23 (G1) in his hometown of Boston as he lasted 2.1 innings (8H, 9R, 7ER, 3BB, 1K)... STIEB'S NO-HITTER

SEPTEMBER 2, 1990 at CLEVELAND — TORONTO 3, CLEVELAND 0

DAVE STIEB chalked up his first no-hitter and the first in BLUE JAYS history as he stopped the Cleveland Indians on a sunny Sunday afternoon at Cleveland Stadium before a crowd of 23,640.

The game ended as Cleveland's Jerry Browne whacked a fly to right field where JUNIOR FELIX put the squeeze on it.

Stieb had a season high nine strikeouts and walked four over his 122-pitch afternoon.

There were no tough plays and only a couple of well hit balls. Closest the Tribe came to a hit was KEN PHELPS pulling a liner about three feet foul to open the eighth inning.

10 CONSECUTIVE HITS

The Toronto Blue Jays tied an American League record September 4, 1992 at SkyDome by collecting 10 consecutive hits in an eight-run second inning against the Minnesota Twins.

The Blue Jays tied the mark set by the Boston Red Sox on June 2, 1901 and equalled by the Detroit Tigers on September 20, 1983.

The major league record of 12 straight hits was set by the St. Louis Cardinals in 1920 and equalled by the Brooklyn Dodgers in 1930.

With one out in the second, Toronto's Kelly Gruber reached on an infield single against Twins' starter Kevin Tapani.

Singles by Pat Borders and Manuel Lee scored Gruber to cut Minnesota's lead to 3-1.

Devon White doubled in a run and Roberto Alomar followed with a two-run single to give the Blue Jays a 4-3 lead. Joe Carter tripled home Alomar and scored on Dave Winfield's single off reliever Tom Edens. Winfield was thrown out at second for the inning's second out, but John Olerud singled and scored on Candy Maldonado's triple to open a 7-3 cushion. Gruber's bloop double to right-center scored Maldonado and ended the string of 10 straight hits.

Borders fled to center to end the inning.

Toronto's previous club record was nine consecutive hits, set against California on July 3, 1992.

FREE AGENCY

Free agency came about in 1976 when 244 players refused to sign contracts and opted for, at season's end, the right to participate in a re-entry draft.

That draft took place in New York on November 4. Clubs were permitted to select players with whom they could negotiate. There was no compensation for clubs who lost players in this draft.

MAJOR LEAGUE RULE 5 DRAFT, 1977-2002

Toronto has selected 23 players in the Major League Baseball Draft, since their inaugural season in 1977. Players with at least three years of professional service who are not protected on a team's major league roster are eligible for selection by another club for \$50,000 (prior to 1985 the draft price was \$25,000). The drafted player must remain with his new club for the full season or be offered back to his original club for \$25,000. The drafting is in reverse order of previous season records and alternating between leagues. Following this major league draft, a separate selection is held by National Association clubs from class AAA to A levels. An "AAA" selection price is \$12,000. An "AA" selection is \$4,000.

THE HISTORY OF THE BLUE JAYS UNIFORM

In 1977 when the Toronto Blue Jays began play in the American League they sported the now familiar Blue Jays logo that was designed by Toronto-based Savage Sloan Ltd.

The lettering style that has become associated with the organization began in 1977. The uniform numbers and name BLUE JAYS on the home uniforms in 1977 were done with rounded corners and a thin white centered highlight line which is now so distinctly associated with the Toronto Blue Jays.

In 1977 the Blue Jays players wore pullover uniform tops and beltless waistband pants with decorative striping of blue, white and light blue on the sleeves, necks and pants. The caps were dark blue with two white panels in front and the team logo proudly displayed in the middle. Undersweaters and socks were solid dark blue.

The home uniforms were white with BLUE JAYS arched across the chest over the Blue Jay logo which was centered on the uniform top. The lettering was dark blue split with a white highlight line centered in the lettering. The uniform numbers on the back of the jersey were done in the same split style. The road uniforms were light blue with TORONTO across the chest in solid dark blue lettering.

In 1978 a white outline was added to highlight the solid blue lettering. TORONTO on the road uniform top. In 1981 the road uniform top adopted the split lettering style as white letters with a dark blue centering line. The letters now read BLUE JAYS instead of TORONTO as had appeared across the chest since 1977.

It was in 1980 that the players names first appeared on the backs of the uniforms. The names appeared on the home uniforms only and not on the road jerseys. Names first appeared on road uniforms in 1989 after the team had dropped the light blue uniform.

In 1989 the Blue Jays dropped the pullovers and waistband pants for buttoned shirts and belted pants. The home and road uniforms saw the logo move from the center of the uniform top to the left side of the chest below the lettering. The lettering and numbers remained in the distinctive split lettering style. The player names on both of the uniforms appeared in solid dark blue letters. The home uniform remained white but made the above changes and dropped the striping around the collar. The striping of dark blue, white and light blue remained on the sleeves and the sides of the pants.

The road uniform changed from medium blue pant and shirt to a grey uniform with dark blue, white and dark blue striping on the sleeves and pants only. The name BLUE JAYS was replaced with TORONTO in dark blue in the familiar split lettering style with a white centered highlight line arched across the chest. The logo shifted to the left breast below the lettering. The road cap was changed to a solid dark blue cap with the Blue Jays logo centered on the front.

In 1994 the solid dark blue road cap was adopted as both the home and road cap. As well in 1994 an alternate jersey was added for the first time in club history. The alternate jersey being a solid dark blue buttoned jersey.

In the twenty-two year history of the club the team has added patches to the sleeves for four different seasons. In 1986 a special 10 year anniversary patch was added which was displayed on the left arm. In 1991 the Blue Jays uniform added a patch to commemorate the hosting of the 1991 All-Star Game in Toronto. The third patch displayed on the uniform throughout the season was in 1996 when the Blue Jays displayed their commemorative 20th season logo. In 1997 the Blue Jays wore the Jackie Robinson 50th year Anniversary patch. Toronto had short term logos in 1992 and in 1993 when the World Series logo was displayed on the left arm.

In 1997 the Blue Jays uniform changed as they adopted a new team logo. The new/current logo was designed by Major League Properties and brings the colour red into prominence as the maple leaf serves as the backdrop for the bird logo. The Blue Jays maintained the split lettering style on the home white buttoned jersey's and the belted pants but added a light blue centering line to the letters instead of the plain white used in the past. The road uniforms remain grey with TORONTO across the chest but it now appeared in three colours. It along with players names and numbers are now dark blue, with a red centering line and a white outline. The striping on both the home and away pants was switched to blue, light blue and red. The Blue Jays also added an alternate jersey of solid blue with Toronto across the chest with the player number. The split style lettering and numbers are red with a blue centering line and a white outline. All three of the jerseys display the team logo on the left arm.

In 1999 the Blue Jays added a home white sleeveless buttoned jersey. The uniforms, accompanying by dark blue undershirts, have split letters of light blue with a dark blue dividing line. The front of the jersey vest displays BLUE JAYS along with the logo with the player names and numbers on the back. It is the only current jersey without the number on the front of the jersey.

In 2000 the Blue Jays added an alternate logo on hats which were used exclusively as spring training and batting practice caps. The logo features an animated Blue Jay holding a bat and reaching around a large red T to toss a ball in the air. The arm of the bird tossing the ball displays a red maple leaf.

In 2001 the Blue Jays celebrated their 25th Season with a commemorative logo that was displayed on the left arm of the jersey. In conjunction with the Anniversary logo. The Blue Jays also made some changes to their uniform. The uniform changed from blue, light blue, and red striping around the sleeves and down the sides of the pants to dark blue piping that surrounds the sleeves, down the sides of the pants and throughout the middle of the jersey. The piping is the same for all the uniforms, except the alternate jersey, which displays red piping that surrounds the sleeves, down the sides of the pants and throughout the middle of the jersey. In addition, the solid gray road and the solid white alternate home jerseys have blue set-in sleeves. Also, the T-bird logo was added to the front left side of the alternate home jersey, which replaces the number.

The "Level of Excellence" is the highest award bestowed by the Toronto Blue Jays honouring tremendous achievements. The inaugural members of the Level of Excellence were **OF GEORGE BELL** and **RHP DAVE STIEB** who were honoured in 1996 after their tremendous careers as the cornerstones of the franchise for many seasons. **OF JOE CARTER** and **Manager CITO GASTON** were recognized in 1999, **IF TONY FERNANDEZ** in 2001 and **GM PAT GILICK** in 2002.

During his nine seasons **BELL** was a four time club MVP, the Sporting News AL and major league player of the year in 1987, a three time Sporting News Silver Slugger, a two time Sporting News All Star team selection and the American League Player of the Week eight times. The 6'1" right hand batter also set a major league record hitting three home runs on opening day, April 4, 1988 at Kansas City.

In 1982 he was named the Sporting News Pitcher of the Year after a 17-14 season with a 3.25 ERA and led the league in innings pitched (288) and complete games (20). **STIEB** was the Blue Jays pitcher of the year six times, a three time winner of the American League Pitcher of the Month and a three time winner of the American League Player of the Week.

Outfielder **JOE CARTER** is second in franchise history in home runs with 203 but will forever be remembered for just one, the ninth inning blast on October 23 to win the 1993 World Series. In 1,039 games from 1991 to 1997 with Toronto, **Carter** hit .257 with 578 runs scored, 218 doubles, 28 triples, 203 home runs with 736 RBI and 78 stolen bases. In his seven seasons he represented Toronto in five All-Star games including 1991 in Toronto, his first season with the Blue Jays after he was acquired from San Diego along with Roberto Alomar on December 5, 1990 in exchange for Tony Fernandez and Fred McGriff. Along with his tremendous on-field accomplishments Joe and his wife were active off the field as the Diana & Joe Carter Foundation operated the "Jumpin' with Joe" program which provided needy children throughout the Toronto area with a day at Teen-Ranch, Christian Youth Camp and tickets for a Toronto Blue Jay game where Joe would speak to all of the children. He worked with many other charities including Ronald McDonald House and also hosted an annual charity golf tournament. In his 16 year major league career **Carter** hit .259 with 432 doubles, 396 home runs and 1,445 RBI while playing for the Chicago Cubs (1983), the Cleveland Indians (1984-1989), the San Diego Padres (1990), the Toronto Blue Jays (1991-1997), the Baltimore Orioles (1998) and the San Francisco Giants (1998).

CITO GASTON led the Blue Jays to two World Championships, two American League Championships, four American League East titles and a franchise record 681 wins in his nine seasons as the Manager from 1989 to 1997. **Gaston** started as the Blue Jays hitting coach in 1981 where he groomed many young players including George Bell, Lloyd Moseby, Cecil Fielder, Jesse Barfield and Fred McGriff. In 1989 he served as the interim manager of the club before he was named the fifth manager in club history on May 31, 1989. He had the privilege of Managing in two All-Star games, 1993 and 1994. During his years as manager **Cito** gave much of his time to charity events throughout Toronto including the annual Cito Gaston Golf Classic. **Gaston** returned to the Blue Jays for two seasons as hitting coach in 2000 and 2001.

TONY FERNANDEZ retires as the franchise leader in games (1,450), at-bats (5,335), hits (1,583), doubles (291), triples (72), second in runs (704), and total bases (2,198), third in average (.297), fourth in walks (439) and stolen bases (172) and fifth in extra-base hits (423). **FERNANDEZ** had four separate stints with the Blue Jays resulting in 12 seasons and was a member of the 1993 World Series Champions where he led the team with nine RBI and batted .333 in the six WS games. **FERNANDEZ** was selected to play on five All-Star Teams, including four with Toronto, and won four straight AL Gold Glove Awards at shortstop from 1986-1989 with the Blue Jays. **FERNANDEZ** also holds the franchise mark for consecutive games played at 403 and is the All-Time hit leader for a Dominican born player. Was selected as the shortstop on the 25th season Blue Jays All-Time Roster and in 2001 set club single season pinch-hit records with 16 hits and 10 RBI.

PAT GILLICK, who was instrumental in building the organization from an expansion team in 1977 to World Series Champions in 1992 and 1993, was the sixth man to be honoured by the Toronto Blue Jays to the Level of Excellence. **GILLICK** began his exceptional career with the Blue Jays in 1976 as the Vice President of Player Personnel. Through his work during the early years with the organization, he developed what many referred to as the "blueprint for developing an expansion franchise." **GILLICK** was responsible for the development of players like Dave Stieb, Jesse Barfield and Jimmy Key through the draft and utilized the Major League Rule 5 draft to secure talents such as Willie Upshaw, George Bell, Jim Gott and Kelly Gruber. **GILLICK** was also known for completing shrewd trades to acquire the likes of Alfredo Griffin, Damaso Garcia and Fred McGriff and assembling talent like Tom Henke, Joe Carter, Roberto Alomar, Devon White, Dave Winfield, Jack Morris and Paul Molitor. During his tenure, the Blue Jays produced 11 consecutive winning seasons from 1983 to 1993 and in that span, the Toronto Blue Jays brought five American League East Division titles to Toronto, two American League Championships and World Series victories in 1992 and 1993.

SCOUT OF THE YEAR AWARD

The Scout of the Year Award was first presented in 1985. The award and selection process was developed by three scouts: Tony Pacheco (Houston), Jim Russo (Baltimore) and Hugh Alexander (Philadelphia). Each year, Scouting Directors from each Major League club submit the names of their scouting personnel who have accumulated 20 years of

scouting experience in a full-time capacity. The Scouting Association conducts the voting. The awards are divided into three sections; one for each area of the United States (East, Mid-West, West). The award recognizes the scout who has excelled in scouting, professionalism and performance on the job.

BOBBY MATTICK AND AL LAMACCHIA AWARDS

In 1996 the Blue Jays organization established two awards: the **Bobby Mattick Player Development Award** and the **Al Lamacchia Scouting Award**. The awards were created to acknowledge the dedication, success and work ethics of Blue Jays baseball operations personnel, attributes so aptly displayed by the awards' namesakes.

The Bobby Mattick Award was named after the longtime baseball executive who has spent the last 25 years of his career with the Blue Jays. Mattick was responsible for the development of many of the young players who have gone through the Blue Jays system. As well as being Director of Player Development for many years he also managed the Major League Blue Jays for two seasons in 1980 and 1981.

The Al Lamacchia Award was named after the veteran scout who spent 20 seasons with the Blue Jays. The contributions of Al's scouting talents have been deeply etched in the Blue Jays short history.

ROLAIDS RELIEF MAN

The Rolaids Relief Man Award relies upon a unique scoring system:

- Four points for each "tough save"
- Three points for all other saves
- Two points for each win
- Two points deducted for each loss
- Two points deducted for each "blown save"

In the rare instance when a relief pitcher enters a game with a lead that is greater than what is allowed to qualify for a save — Scoring Rule 10.20 (3b) — and gives up the lead, he will be assessed a two — point penalty (as he would have had he blown a save opportunity). He will not be charged with a "blown save" since the opportunity for a save did not exist.

In case of ties (for monthly or annual awards), the relief pitcher with the better percentage of successful "save conversions" (saves divided by save opportunities) will be the winner. If a race is still tied, the pitcher with the lowest

earned run average for relief appearances will be the winner.

"Tough Save"

The reliever comes into the game with the tying runs on base and saves the game. Example: Reliever comes in with a 5-3 lead, two outs and the bases loaded in the ninth inning.

"Blown Save"

When a relief pitcher enters the game in a save situation and departs or the game ends with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save". (If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity.)

Hudson batted .429 in the World Cup tournament and led the US team in runs scored (12), hits (18), total bases (24) and stolen bases (7). The Blue Jays prospect also hit two doubles, drove in four runs and posted a .467 on-base percentage for the silver medal winning US team.

BLUE JAYS IN POST-SEASON

1985 AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO vs KANSAS CITY

As the Blue Jays entered post season play for the first time, they would face the Kansas City Royals in the first ever best-of-seven American League Championship Series. The Blue Jays, who finished nine games ahead of the Royals in the loss column, were the favourites and would enjoy the extra home game.

GAME #1: Dave Stieb lived up to superstar billing, shutting out the Royals on three hits through eight innings with no base runner advancing past second base. The Blue Jays struck quickly with two runs in the second, three in the third and one in the fourth. The Blue Jays offense was sparked by 2 RBI performances by Ernie Whitt and Tony Fernandez.

GAME #2: A much more even affair with the Blue Jays eeking out a 6-5, 10-inning win. The Royals jumped into a quick 3-0 lead after 3 1/2 innings primarily on the strength of a 2 run HR by Willie Wilson in the 3rd inning. The Blue Jays rallied and took the lead on a George Bell sacrifice fly in the 8th. The Royals rallied, however, in the 9th on a pinch hit HR by Pat Sheridan with the go ahead run being delivered in the 10th on a Frank White single. The Blue Jays won it in the bottom of the 10th on a two-out 2 run single by Al Oliver. On to Kansas City, the Blue Jays were up 2 games to none.

GAME #3: George Brett put on a baseball clinic going 4-4, 2 HR's, 3 RBI with 4 runs scored enroute to a 6-5 Royals win. Leading 5-2 after 4 1/2 innings the Blue Jays squandered the lead for good in the 8th when Brett led off the inning with a single and eventually scored.

GAME #4: The Blue Jays came within one win of a World Series berth with a 3-1 come-from-behind victory. The Blue Jays won the game dramatically with 3 runs in the top of the ninth inning, the big blow being a 2 run pinch hit double by Al Oliver.

GAME #5: LHP Danny Jackson went the distance checking Toronto on 8 hits and scoring a run in each of the first two innings. Blue Jays still led the series 3 games to 2.

GAME #6: The Blue Jays and Royals returned to Exhibition Stadium. Entering the 5th inning tied at 2-2 George Brett once again delivered the decisive blow with a solo HR. And, with 3.2 shutout innings of relief from Buddy Black and Dan Quisenberry, the Royals pulled even in the series for the first time at three games apiece.

GAME #7: Dave Stieb, the ace of the Toronto staff vs eventual Cy Young Award winner Bret Saberhagen. The Royals came out on top 6-2 shellacking Dave Stieb for six runs in 5.2 innings. The big blow being a wind-assisted bases clearing triple by Jim Sundberg to cap a four run 6th inning.

The Kansas City Royals became only the 5th club in major league history to trail a series 3 games to one and come back to win the series. The Blue Jays? They slumped immediately after scoring five runs in the 5th inning of Game 3 scoring only eight runs in the last 40 innings.

1989 AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO vs OAKLAND

For the second time in five seasons, the Blue Jays were American League East Division Champions. The Blue Jays would face the Oakland Athletics who had the best record in the Major Leagues in 1989.

GAME #1: The Blue Jays surrendered 2-0 and 3-1 leads as the Athletics scored three times in the sixth and twice in the eighth to win 7-3. In the sixth inning Mark McGwire cracked a lead off HR to tie the game and two runs scored when Carney Lansford's double play ball was botched. Dave Stewart allowed five hits over eight innings for the win.

GAME #2: The Athletics tallied twice in the fourth inning and three in the sixth en route to a 6-3 win. As outfielder Rickey Henderson was a one-man wrecking crew going 2-for-2 with two runs scored and four stolen bases. Athletics' righthander Mike Moore allowed just three hits and an unearned run in seven innings.

GAME #3: The Blue Jays snapped a five game post season losing streak dating back to 1985 with a convincing 7-3 win. The Blue Jays jumped on Athletics' starter Storm Davis for four runs on four hits in the fourth inning and salted the game away with another three runs in the seventh inning. The win ran the Blue Jays' record to 11-0 at SkyDome with the roof closed. Overcoming a 3-0 Athletics' lead Mookie Wilson and Tony Fernandez paced the Blue Jays with two hits apiece, the latter with two doubles.

GAME #4: The Athletics took a commanding 3-1 lead in games with a 6-6 win over the Blue Jays. Rickey Henderson was again a major catalyst with two HR's which accounted for four RBI. The Blue Jays collected 13 hits, 11 of which were singles and attempted to overcome a 5-2 deficit with one run in the sixth and seventh innings and two in the eighth.

GAME #5: The Blue Jays spotted the Athletics a 4-0 lead into the seventh inning before eventually losing the game 4-3 and the best-of-seven series in five games. Trailing 4-1 after eight innings the Blue Jays scored twice in the ninth inning on a leadoff HR by George Bell and a sacrifice fly by Kelly Gruber.

Epilogue: In essence it was Rickey Henderson defeating the Blue Jays four games to one. Henderson batted .400, slugged 1.000, had a .609 on-base percentage and swiped a LCS record eight stolen bases. The Blue Jays hit .242 as a team (compared to Oakland's .272) with only eight of their hits being for extra bases. They were outscored 8-3 in the first three innings and 12-7 in the middle three before outscoring the Athletics 11-6 in the final three innings. Unfortunately it is virtually impossible to consistently battle back from an early inning deficit. Although anything can happen in a "short series" the best team of the regular season continued that charted course into post-season, winning eight of nine contests.

1991 AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO vs MINNESOTA

In 1991, the Toronto Blue Jays won the American League East for the third time in the history of the organization. The Blue Jays faced the Western Division Champion Minnesota Twins in a series that would decide the American League Champion. The Minnesota Twins emerged victorious as they won the best of seven games series by a 4 games to 1 count. Below is a summary of the series.

GAME #1: Toronto starter Tom Candiotti lasted just 2.2 innings and allowed five earned runs before being lifted in favour of David Wells. The Twins would not need to score another run. The Blue Jays rallied for a run in the fourth and three runs in the sixth on five consecutive hits off Twins starter Jack Morris. Those four runs would be all Toronto could muster as they lost 5-4 at the Metrodome.

GAME #2: Toronto took an early lead as they jumped on Twins starter Kevin Tapani, scoring three times in the first three innings. Rookie Toronto starter Juan Guzman lasted 5.2 innings allowing four hits and just two earned runs before the ball was handed to the bullpen. Tom Henke and Duane Ward combined for 2.1 innings of shutout relief and six strikeouts. Devon White scored three of the five Toronto runs as the Blue Jays won their only 1991 ALCS game 5-2 in Minneapolis.

GAME #3: Joe Carter's first inning home run and a Candy Maldonado double put the Blue Jays ahead 2-0 until the sixth inning when the Twins were able to put their second run across the plate and tie the game at two apiece. Toronto starter Jimmy Key scattered five hits over six innings and allowed two earned runs. The game went into extra-innings

and ended in dramatic fashion as Mike Pagliarulo, pinch hitting for Scott Lewis, homered to right off of Blue Jays reliever Mike Timlin. Toronto was retired 1-2-3 in their half of the tenth as the Twins defeated Toronto 3-2 at SkyDome.

GAME #4: Blue Jays starter Todd Stottlemyre allowed seven hits in 3.2 innings before exiting with Toronto trailing 4-1. The Twins' Kirby Puckett hit his first home run of the series and Dan Gladden collected three RBI on three hits to pace Minnesota to a 9-3 win at SkyDome. It was Jack Morris' second win of the ALCS as he pitched eight innings allowing just two runs.

1992 AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO vs OAKLAND

GAME #1: Home runs were the story of the game as Oakland used three of them to beat the Blue Jays 4-3. The A's scored three runs in the second inning off Toronto starter Jack Morris on back-to-back homers by Mark McGwire and Terry Steinbach. The 3-0 lead stood until Pat Borders homered off Dave Stewart in the Blue Jays' fifth followed by a Dave Winfield homer in the sixth making the score 3-2. John Olerud tied the score at 3 in the bottom of the eighth with a two out single off reliever Jeff Russell scoring Winfield who had doubled in the previous at-bat. Harold Baines broke the tie with a solo shot to lead off the ninth and Dennis Eckersley shut down the Blue Jays in the home half of the ninth to seal the 4-3 Oakland victory.

GAME #2: The Blue Jays were able to rebound from a Game #1 loss as David Cone held the A's to just one run over 8.0 innings en route to a 3-1 win. Cone, the Major League's strikeout leader in 1992, fanned six as he collected his second career post-season victory. Mike Moore lasted seven innings in the losing effort for Oakland. Kelly Gruber doubled and hit a 2-run homer in the fifth which would prove to be the winning runs. Closer Tom Henke came on for the save in the ninth, his first ever post-season save.

GAME #3: For the first time since 1985 vs Kansas City, the Blue Jays put together a pair of wins in the post-season as they got past the A's 7-5. Toronto starter Juan Guzman notched his second career LCS win in as many starts (1991 vs Twins) lasting six innings before being lifted in favour of Duane Ward. Tom Henke earned his second save in as many games. Despite being out-hit 13-9 by the A's, 4 of Toronto's hits went for extra-bases including homers from Alomar (solo) and Maldonado (solo). The A's collected just 1 extra-base hit.

GAME #4: In what appeared at first to be a certain Oakland victory, the Toronto Blue Jays fought back to erase

a five run deficit late in the game sending the game into extra-innings. Oakland batted around earning five runs in the third inning as they jumped on Toronto starter Jack Morris. The A's added another run in the sixth making the score 6-1. Toronto began their comeback in the top of the eighth as they strung together five consecutive hits. By the end of the inning, the score was 6-4. The A's were held off the board in the bottom of the eighth but in the top of the ninth, Devon White started off the inning with a single that was misplayed allowing White to get to third base. Roberto Alomar then homered off Dennis Eckersley to tie the game at 6-6. Toronto eventually won the game in the eleventh as they scored a run off Kelly Downs to win 7-6.

GAME #5: Oakland starter Dave Stewart held the Blue Jays in check for nine innings scattering seven hits, allowing just 2 runs as Oakland sent the series back to SkyDome. The complete game win was Stewart's first win of the 1992 post-season. The 6-2 loss for the Blue Jays ended their three game win streak. David Cone took the loss for Toronto. He lasted just 4.0 innings before Jimmy Key made his first appearance of the 1992 playoffs. Ruben Sierra homered and drove in 3 runs for the A's. Devon White notched 3 hits on the day including a double in the losing effort.

GAME #6: Toronto scored a pair of runs in the first on a Joe Carter homer off A's starter Mike Moore. The Blue Jays then added four more runs in the third including a Candy Maldonado 3-run homer to put Toronto ahead 6-0. Blue Jays' starter Juan Guzman went seven innings allowing just five hits and striking out eight before the ball was handed to Duane Ward in the eighth with the score Toronto 7, Oakland 1. The A's managed a run in the top of the eighth but the home town Blue Jays secured the win as Tom Henke tossed a perfect ninth sending Toronto to its first ever World Series with a 9-2 win over Oakland.

1992 WORLD SERIES

TORONTO vs ATLANTA

GAME #1: In the first game of the 89th World Series, the Blue Jays suffered a 3-1 loss to the Atlanta Braves. Home runs were the story of the game as Toronto took an early 1-0 lead in the fourth on a Joe Carter solo homer off starter Tom Glavine. It would be the only run Toronto would score. Jack Morris continued his shutout innings streak vs the Braves extending it to 18.0 innings until a 3-run homer by catcher Damon Berryhill in the sixth inning ended the streak. Glavine went the distance for the Braves becoming the first pitcher to toss a complete game in a World Series opener since Jack Morris accomplished the feat in 1984 vs San Diego.

GAME #2: Reserve catcher Ed Sprague proved to be the hero for the Blue Jays on this night at Fulton County Stadium. David Cone lasted just 4.1 innings allowing 4 runs over that span before exiting in favour of David Wells. Cone also contributed at the plate with a pair of hits and an RBI. His two hits marked the first two hit game by an AL pitcher in the World Series since Mickey Lolich went 2-4 on October 3, 1968. Heading into the eighth inning, the Blue Jays trailed 4-2. After a run in the top of the eighth Toronto entered the ninth inning trailing by 1. After a Pat Borders fly out, rookie Derek Bell (pinch hitting for Lee) walked. Ed Sprague then pinch hitting for the pitcher Duane Ward knocked a first pitch offering from Jeff Reardon over the left field fence to put the

Blue Jays ahead 5-4. Tom Henke was able to retire the Braves in the bottom of the ninth for the save.

GAME #3: The game marked the first time the World Series had been played outside of the United States as the series moved to SkyDome. In another pitching duel, Steve Avery and Juan Guzman both went 8.0 innings. Atlanta was kept off the board in the fourth with a splendid defensive effort by Devon White. White ran down a deep drive off the bat of Dave Justice that sent Devon into the wall to make the catch. White returned the ball to the infield where Pendleton was doubled-up off first. The Blue Jays drew first blood in the fourth inning as Joe Carter connected for his second homer of the series, a solo shot putting Toronto ahead 1-0. In the sixth inning, the Braves rallied to tie things at 1-1. Each team traded runs in the eighth keeping the game knotted at 2-2. The Braves attempted a rally as Duane Ward came on to pitch the ninth. But after a key double play and a strikeout the inning was over. In the home half of the ninth, Roberto Alomar started the inning off with a leadoff single. After stealing second and a Dave Winfield sacrifice, Alomar stood at third with one out. Jeff Reardon came in to try to halt the Blue Jays' advance but Candy Maldonado with the bases loaded, hit a 2-strike pitch to right centre for a base hit allowing Alomar to score the winning run.

GAME #4: In what was the third consecutive 1-run game of the 1992 World Series, the Blue Jays posted a 2-1 win behind a strong pitching effort from starter Jimmy Key. Key went 7.2 innings allowing just 5 hits and 1 earned run while striking out six Braves batters. Toronto earned their first run in the third inning as catcher Pat Borders continued on his post season hit streak with a solo homer to left. Toronto made the score 2-0 in the seventh when Devon White drove in Kelly Gruber from second base. Atlanta managed to score a run in their half of the eighth as Ron Gant led off with a double and eventually scored on a Mark Lemke groundout. Tom Henke came in to pitch the ninth for Toronto and tacked up a 1-2-3 inning for his second save of the series.

GAME #5: The game began in similar fashion as the previous four. Entering the fifth inning, the game was tied at 2-2. The Braves had collected a run in the first and fourth inning while the Blue Jays captured runs in the second and fourth. The fifth inning proved to be Atlanta's inning as they crossed the plate five times to seal the victory and send the series back to Atlanta for at least one more game. The fifth inning began for the Braves with 2 consecutive routine outs. An Otis Nixon single started the ball rolling and the Braves eventually loaded the bases on Toronto starter Jack Morris. Lonnie Smith stepped up to the plate and sent Morris' 1-2 offering over the right field wall for a grand slam making the score 7-2. The score remained the same over the final four innings making a winner out of John Smoltz.

1993 AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO vs CHICAGO

GAME #1: The Blue Jays took a 2-0 lead in the fourth inning when third baseman Ed Sprague tripled to right field with Olerud and Molitor on base. Chicago then used their half of the fourth inning to produce three runs on two hits as they sent nine men to the plate. Toronto starting pitcher Juan Guzman managed to hold the White Sox in check for six innings but walked 8 batters and stranded 11 Chicago runners before exiting with a 5-3 lead. Jack McDowell lasted 6.2 innings allowing thirteen hits and all seven Toronto runs before the White Sox relief corps came on to hold Toronto for the remainder of the game. Danny Cox worked a shutout seventh and eighth allowing a single by Ozzie Guillen. Duane Ward came out for the ninth and walked the first two batters before striking out the side to end the Chicago threat.

GAME #2: Both clubs scored once in the first inning but it was the Blue Jays that would prevail as their two-run fourth inning provided the edge. The 3-1 win saw Toronto take a two games to none lead in the best of seven games series. The fourth inning started with a pair of outs by Carter and Olerud. Paul Molitor then doubled off starter and loser Alex Fernandez. Next, Tony Fernandez singled to score Molitor and moved to second on the throw home. After an intentional walk to Ed Sprague, Pat Borders singled to second base but Joey Cora threw the ball away allowing the third Toronto run to score. Dave Stewart worked six strong innings surrendering just four hits (all singles) and one run for his seventh career ALCS win against no losses. Al Leiter was credited with a hold as he pitched the seventh and eighth innings before closer Duane Ward came in to save the game in the ninth.

GAME #3: Nineteen game winner, Pat Hentgen started for Toronto but could not collect a win on this day as Toronto suffered their worst defeat of the series losing 6-1. The Blue Jays were able to hold off the White Sox attack until the third inning when they sent 10 players to the plate and combined for five runs on five singles. Hentgen lasted just three innings

plus 2 batters before he was removed in favour of Danny Cox. Toronto scored their lone run in the bottom of the third as Rickey Henderson scored from third on a Devon White single. Wilson Alvarez, the Chicago starter pitched a complete game for his first career ALCS victory. He permitted just seven hits while issuing two walks and striking out six. Tim Lincecum provided most of the offensive support for Chicago going 4-5 with a run scored.

GAME #4: A two run home run by centre fielder Lance Johnson in the second inning gave the White Sox a 2-0 lead over Toronto. The light hitting Johnson had not hit a home run since the 1992 regular season. Todd Stottlemyre, making his first start of the 1993 ALCS lasted six innings for the home team but failed to hold onto a 3-2 lead that was handed to him in the third when Toronto batted around on rookie starter Jason Bere. The right hander lasted just 2.1 innings before being pulled in favour of Tim Belcher. Stottlemyre allowed three more Chicago runs in the sixth including a Frank Thomas solo homer and a Lance Johnson triple before departing. Roberto Alomar doubled home Henderson in the bottom of the sixth to cut the Sox lead to one (5-4) but the visiting White Sox notched a single run off Al Leiter in the seventh and another run off Mike Timlin in the ninth to seal the win by a 7-4 margin.

GAME #5: As was the case with each of the previous four games, the team that scored first emerged victorious. This time, Toronto scored first when Rickey Henderson crossed the plate in the first inning after leading off the game with a double and a stolen base. Starting pitcher Jack McDowell allowed a Toronto run in the second and third before being lifted following just 2.1 innings. Meanwhile, Blue Jays starter Juan Guzman cruised through the first 4.1 innings without allowing a hit or a walk until Ellis Burks went deep to left field for what would be the only blemish on Guzman's slate that afternoon. He lasted seven innings permitting just two hits while walking one and striking out six. Roberto Alomar

reached base in all five plate appearances (3 hits, 2 walks) to lead the Toronto attack. Tony Castillo worked a scoreless eighth allowing a single and a base on balls. Duane Ward had some difficulty in the ninth. He struck out Joey Cora and Frank Thomas following a single to lead off the inning by Raines. He then issued a two run homer to Robin Ventura that brought Chicago within two. With the tying run at the plate, Ward struck out Bo Jackson to end the game and preserve the 5-3 Toronto win.

GAME #6: With his 7-0 record in ALCS play on the line, Blue Jays' starter Dave Stewart provided the win which put Toronto into their second consecutive World Series as the Blue Jays won 6-3 over Chicago. Toronto scored first with a pair of runs in the second inning as a 2-out single by catcher Pat Borders

off Alex Fernandez cashed in John Olerud and Paul Molitor. The White Sox tied the game in the third inning when a bases loaded walk by Frank Thomas and a fielder's choice by Robin Ventura scored two runs. Stewart managed to restrict the Chisox to just 4 hits and 2 earned runs before handing Duane Ward a 3-2 lead after 7.1 innings. Ward struck out the final two batters to end the eighth. Toronto added to their lead as Devon White homered off reliever Scott Radinsky to make the score 4-2. Toronto added two more runs before the inning was over as Paul Molitor tripled to centre. Duane Ward allowed his second home run of the series as Warren Newson hit a solo shot in the bottom of the ninth but that was all the scoring that the Pale Hose would achieve as the Blue Jays were crowned American League Champions for the second straight season.

1993 WORLD SERIES

TORONTO vs PHILADELPHIA

GAME #1: For the first time in baseball annals, the World Series began on Canadian soil. The Blue Jays fell behind 2-0 in the first inning as the Phillies' catcher Darren Daulton singled home a pair of runs off starting pitcher Juan Guzman. After holding Philadelphia in check in the top of the second, Toronto rallied with two runs of their own on four singles off Curt Schilling. Both teams traded solo runs in the third and fifth to keep the score knotted at 4-4. With 1 out in the bottom of the sixth, John Olerud took a first pitch offering from Schilling over the right field fence for a solo home run putting Toronto ahead by one. Toronto scored what would prove to be the winning run in the bottom of the seventh as four consecutive hits by Borders, Henderson, White and Alomar produced an 8-4 lead heading into the eighth. Al Leiter, who would prove to be the winning pitcher, relieved Guzman to start the sixth and held the Phillies scoreless over 2.2 innings before turning the ball over to closer Duane Ward. Ward surrendered a run in the ninth inning as a Jim Eisenreich single scored John Kruk who had led off the frame with a single and moved to second on an error. Ricky Jordan flied out to Joe Carter for the last out to put Toronto ahead 1 game to 0 with the 8-5 win.

GAME #2: The big inning would prove to be the Philly advantage on this night as a Jim Eisenreich three run homer in the top of the third capped a five run inning that saw eight Philadelphia batters step up to the plate. Toronto starter and eventual loser, Dave Stewart lasted six innings with all five earned runs coming in that third frame. Toronto answered the Philly onslaught with a pair of runs in the bottom of the fourth as Joe Carter connected for his first of two World Series home runs. Philadelphia starter Terry Mulholland would allow just three runs over 5.2 innings before handing the ball to the bullpen. Lenny Dykstra led off the seventh inning with a solo homer off reliever Tony Castillo to stretch the Philly lead to 3 as the visitors were now ahead 6-3. Toronto scored one run in the eighth as Molitor led off with a double and eventually scored on an Olerud sac fly. Philly relievers Roger Mason (1.2 innings) and Mitch Williams (1.2 innings) closed out the game to preserve the 6-4 win and even the series.

GAME #3: The venue moved from SkyDome to Veteran's Stadium in Philadelphia for games three, four and five. This game featured solid pitching by the Blue Jays combined with a potent offence. The visiting Blue Jays jumped on Philly starter Danny Jackson in the top of the first as Paul Molitor drove home a pair of runs with a triple. He would also score as Carter lifted a sacrifice fly to right field. Molitor added a solo homer in the third to make it 4-0. Starting pitcher Pat Hentgen pitched six innings allowing just one run—that coming in the sixth as a two-out single by Eisenreich scored John Kruk who had reached base via a walk. Blue Jays added another run in the top of the sixth as Roberto Alomar scored on a sac fly after having reached base on a single and stealing second and third. Toronto continued to add to their lead as they scored three more runs in the seventh off reliever Ben Rivera. Roberto Alomar finished the night with a 4-hit game while Molitor had three hits, three runs and three RBI. Duane Ward surrendered a solo homer to Milt Thompson in the ninth to make the final score Toronto 10, Philadelphia 3.

GAME #4: In a slugfest, the Blue Jays put together one of the wildest comebacks in World Series history to beat the Phillies 15-14 and take a three games to one lead. Toronto

opened the scoring with three in the first off Philly starter Tommy Greene. But the home team would take advantage of four first inning walks by starter Todd Stottlemyre as they scored four runs to move ahead 4-3. Philadelphia added two more runs to their tally as Lenny Dykstra connected for his second homer of the series, a 2-run shot in the second. The Blue Jays batted around in the third and collected four runs and sent Tommy Greene to the bench in favour of Roger Mason. Philadelphia then posted a five run fifth that included home runs from Dykstra and Daulton to extend their lead 12-7. Toronto countered with two runs in the top of the sixth as White and Alomar scored on a single and a ground out. The Phillies added a run in the sixth and one in the seventh to make the score 14-9. The Phillies relief corps could not hold Toronto from making a comeback. In the top of the eighth, the Blue Jays sent ten players to the plate. Devon White's triple with two out scored Pat Borders to tie the game and Rickey Henderson to put Toronto ahead 15-14. Mike Timlin, started the eighth and struck out the first two batters. He faced before Duane Ward came on to strikeout Dykstra to end the inning. In the ninth, Ward hurled a 1-2-3 inning for his second save of the series in a game that took 4 hours and 14 minutes to play and was the highest scoring game in World Series history. Tony Fernandez had five RBI in the game and White had four.

GAME #5: Curt Schilling shutout Toronto 2-0 in what was the second ever shutout of Toronto in the post season. Pitted against Blue Jays ace Juan Guzman, he allowed just five hits (all singles) and struck out six Toronto batters for his first World Series win. The Phillies scored the only run they would need in the first inning when Dykstra, who had walked to lead off the game, scored on a John Kruk groundout. They added a second run in the very next inning as a pair of doubles cashed in Daulton. In the eighth, the Blue Jays threatened with a pair of runners on base but a strikeout by White followed by an Alomar ground out ended their attempt. Guzman was equal to the challenge as he went seven innings allowing both Philly runs while fanning six. The win sent the series back to Toronto with the Blue Jays holding a 3-2 edge.

GAME #6: Toronto started their quest for a second straight World Series Championship early as they notched three runs off Philly starter Terry Mulholland in the bottom of the first. A run in the fourth and a solo home run by Molitor in the fifth put Toronto up 5-1. Dave Stewart, the Toronto starter held the Phillies to just one run over his first six innings. In the seventh he surrendered a three run homer to Lenny Dykstra—his fourth of the series. That led to Stewart being pulled from the game. Reliever Danny Cox came in with none out and surrendered two more runs before the Phillies were halted by Al Leiter. The damage had been done and Philadelphia was now leading 6-5. After leaving the bases loaded in the eighth, Toronto made World Series history by erasing a 1-run lead in the bottom of the ninth. Mitch Williams came in to start the inning and he walked Rickey Henderson who led off. After a Devon White fly out, Molitor singled to centre to put runners at first and second. Right fielder Joe Carter then stepped up to the plate. On a 2-2 offering from Williams, Carter homered over the left field wall for a three run home run and propelled Toronto to its second consecutive World Series Championship with an 8-6 win.

PITCHERS AT THE PLATE

The Blue Jays never had a pitcher bat in a regular season game in their first twenty seasons.

DAVE STIEB batted against Minnesota Twins on August 29, 1980 at Exhibition Stadium but he was playing the outfield. Stieb had gone in to play left field in the 15th inning of a suspended game started on August 28th. In his only time at the plate he flied out to the center-fielder, Ken Landreaux in the bottom of the 15th. The pitcher was Al Williams. He played one inning and had no fielding opportunities as the Jays lost 7-5 in 15 innings.

In the 1992 World Series vs Atlanta, Blue Jays pitchers were 2-7 with DAVID CONE going 2-4, JIMMY KEY 0-1 and JACK MORRIS 0-2.

In the 1993 World Series vs Philadelphia, Blue Jays pitchers were 1-5. AL LEITER had the only hit, a double.

In 1997 with the introduction of INTER-LEAGUE PLAY, Blue Jays pitchers took their turn hitting. WOODY WILLIAMS became the first Blue Jays pitcher to come to bat and also had the first hit, a single, in his second at bat off Curt Schilling on June 13, 1997. ROGER CLEMENS had the other Blue Jays hit, a double off the right-field wall at Shea Stadium against the New York Mets on September 2, 1997.

He came around to score the first run ever by a Blue Jays pitcher.

In 1998, Blue Jays pitchers combined to hit .117 (2-17). WOODY WILLIAMS had both Blue Jays hits, with two singles in six at bats.

In 1999 the Blue Jays pitchers batted .053 with one hit in 19 at-bats. PAT HENTGEN picked up the staff's only hit, the first of his career, on June 8 at Shea Stadium vs. the New York Mets.

Blue Jays pitchers combined to hit .071 with two hits in 28 at-bats during the 2000 season. FRANK CASTILLO and DAVID WELLS collected the two hits for the Jays staff with both being singles.

In 2001 the Blue Jays hurlers combined to go 3-16 and collected the first RBI in franchise history by a pitcher. JOEY HAMILTON was 1-3 with a double and an RBI. CHRIS MICHALAK was also 1-3 with a triple and CHRIS CARPENTER picked up his first career hit, going 1-3.

The Blue Jays staff in 2002 hit .100 going 2-20. Both hits were singles with Esteban Loaiza and Chris Carpenter each collecting hits. Carpenter was also the Jays only pitcher to score a run. It was the first run by Jays pitcher since September 2, 1997.

200 HOME RUNS

In the 2000 season, the Blue Jays hit a club record 244 home runs which led the AL league... It was the fourth time in franchise history to surpass the 200 mark and the third consecutive season to do so... Hit 215 home runs in 1987, 221 in 1998 and 212 in 1999... The Major League record for home runs in a season was set in 1997 when the Seattle Mariners hit 264, surpassing the previous mark of 257 set by the 1996 Baltimore Orioles... The National League re-

cord for home runs was set by the 2000 Houston Astros after they hit 249 to surpass the previous mark of 239 set by the 1997 Colorado Rockies... When the Blue Jays hit 200 home runs for the first time in 1987, only the 1967 New York Yankees (240), 1987 Detroit Tigers (225), 1963 Minnesota twins (225), 1964 Minnesota Twins (221) and the 1982 Milwaukee Brewers (216) had hit more home runs in the AL.

TEN HOME RUN GAME

The BLUE JAYS etched a page in the record book with a 10 HR performance against the Baltimore Orioles on September 14th, 1987. Following is a list of highlights from that game: In the 18-3 victory the BLUE JAYS received HR's from ERNIE WHITT (3), GEORGE BELL (2), RANCE MULLINIKS (2), FRED McGRUFF (1), ROB DUCEY (1) and LLOYD MOSEBY (1)... WHITT became the second BLUE JAYS player since Otto Velez on May 10, 1980 to hit three HR's in one game... The clubs combined to hit 11 HR's in the game... to tie the Major League mark... RANCE MULLINIKS hit his 10th and 11th of the season, enabling

the BLUE JAYS to become the 12th team in major league history to have at least nine players with at least 10 HR's... A club mark with 53 total bases in the game was set... The club hit three HR's in the second inning, marking the third time in 1987 and seventh time in franchise history that the club had a three HR inning... ROB DUCEY hit his first Major League HR... Most players with two or more home runs, club, game was tied as three BLUE JAYS, Bell, Mulliniks and Whitt had multiple home run games. The 10 home runs surpassed the previous record of eight.

In the bottom of the sixth inning with one out Willie Upshaw had a solo home run to left on the first pitch. George Bell followed with another home run to left on a 3-2 count. Jesse Barfield completed the trio of home runs with one to right field on a 0-1 pitch. All three home runs came off RHP Mike Warren. Final score of the game was Oakland 7, Toronto 4. The next time was **September 12, 1987** vs the Yankees at Exhibition Stadium. With two out in the eighth inning Ernie Whitt hit a three run home run against Tom Fultion. That was followed by solo shots by Jesse Barfield and Kelly Gruber also against Fultion. The final score was Toronto 13, New York 1. On **April 18, 2000** vs the Anaheim Angels at SkyDome in the bottom of the sixth inning, Craig Grebeck took Angels' starter Jason Dickson deep to left field on a 2-1 pitch with one on and no outs. Raul Mondesi followed with a blast off Dickson to left center on a 1-0 pitch before Carlos Delgado took Dickson deep to left center on a 2-0 count to complete the trio. The Blue Jays eventually lost the game to the Angels 16-10. The last time was on **August 21, 2001** at Minnesota vs the Twins. Shannon Stewart led off the sixth inning with a home run off right-hander Jack Cressend. Carlos Delgado and Raul Mondesi then followed Stewart to the plate and both took Cressend deep. BLUE JAYS HOME RUN TRIVIA

PLAYER WHO HOMERED IN THEIR FINAL MAJOR LEAGUE AT BAT

WILLIE AIKENS, April 27, 1985... he came to bat for last time, pinch-hitting at Texas in the ninth inning. Batting for Tony Fernandez against Tommy Boggs, Aikens crashed a dramatic game-tying, two-run homer and Toronto went on to win 9-8. Three days later, Aikens was "designated for assignment" winding up in the minor leagues.

DESIGNATED HITTER

As a designated hitter, **BRAD FULLMER** hit 32 home runs in 2000 to surpass the club mark of 25 home runs by a DH set in 1998 by **JOSE CANSECO**. Prior to 1998 the most home runs hit by a Blue Jays DH was 23 set by **DAVE WINFIELD** in 1992.

MOST PLAYERS WITH 10 OR MORE HOME RUNS

Both the 1983 and 1987 Blue Jays tied the Major League record with nine players hitting 10 or more home runs.

TWO IN ONE INNING, BATTER

JOE CARTER is the only Blue Jay to hit two home runs in one inning. He had his two on October 3, 1993 at Baltimore in the 2nd inning.

SWITCH HITTING HOME RUNS IN ONE GAME, BATTER

ROBERTO ALOMAR hit home runs from the both sides of the plate in the same game twice. He accomplished the feat both at SkyDome. May 10, 1991 vs Chicago White Sox and May 3, 1995 vs Chicago White Sox. **DEVON WHITE** did so once with Toronto at Minnesota on June 1, 1992. **JOSE CRUZ Jr.** was the last Blue Jay to do it, August 24, 1997 at Kansas City.

40 HOME RUN SEASONS

In 1999 **CARLOS DELGADO** with 44 home runs and **SHAWN GREEN** with 42 home runs, became the first Blue Jays tandem to each hit 40 or more home runs in the same season. In 2000, the Blue Jays again had two players, **CARLOS DELGADO** and **TONY BATISTA** each hit 41, hit 40 plus homers in a season. DOUBLEHEADER

The Blue Jays have played 97 doubleheaders in franchise history and have a 20-37-40 record... Toronto's last twin bill came on October 5, 2001 at SkyDome in a sweep over the Cleveland Indians... It was just the second doubleheader at SkyDome with the only other also being a sweep over the California Angels on June 17, 1989... The Blue Jays last played back-to-back doubleheaders on July 28 & 29, 1997 in Milwaukee and lost all four games... Toronto has played 10 back-to-back twin bills and are 2-6-2 including four straight doubleheaders over six days in 1978 from June 11 to 16... Have played three split gate doubleheaders, September 23, 1995 in Boston, July 29, 1997 in Milwaukee and July 1, 2002 at Boston (split DH do not count as doubleheaders)... The Blue Jays have had six seasons without playing a doubleheader, 1990, 1991, 1993, 1996, 1999 and 2000... In 1980 the Blue Jays posted their best doubleheader record at 5-1-4, while in 1978 they lost a franchise high eight, winning three and splitting six.

DOUBLEHEADER SHUTOUTS

Did you know that the Blue Jays have never shut out opponents in both ends of a doubleheader?... Conversely, the Blue Jays have been shut out in both ends of a doubleheader twice, losing 8-0 and 6-0 to Boston at Toronto on September 5, 1977 and 15-0 and 2-0 to New York at Toronto on September 25, 1977... The Blue Jays have been shut out in one end of a doubleheader on 14 occasions (ten DH losses and four splits)... The Blue Jays have also shut out the opposition in one end of a doubleheader on three occasions (two wins, one split).

GLOSSARY OF MEDICAL TERMS

ABDUCT – Movement of any extremity away from the midline of the body. This action is achieved by an abductor muscle.

AC JOINT – Acromioclavicular joint; joint of the shoulder where acromion process of the scapula and the distal end of the clavicle meet, most shoulder separations occur at this point.

ADDUCT – Movement of any extremity towards the midline of the body. This action is achieved by an adductor muscle.

ANTERIOR – In front of; the front surface of.

ANTERIOR CRUCIATE LIGAMENT (ACL) – A primary stabilizing ligament within the center of the knee joint that prevents hyperextension and excessive rotation of the joint. A complete tear of the ACL necessitating reconstruction could require up to 12 months of rehabilitation.

ANTI-INFLAMMATORY – Any agent which prevents inflammation, such as aspirin or ibuprofen.

ARTHROGRAM – X-ray technique for joints using air and/or dye injected into the affected area, useful in diagnosing meniscus tears of the knee and rotator cuff tears of the shoulder.

ARTHROSCOPY – A surgical examination of the internal structures of a joint by means of viewing through an arthroscope. An arthroscopic procedure can be used to remove or repair damaged tissue or as a diagnostic procedure in order to inspect the extent of any damage or confirm a diagnosis.

BONE SCAN – An imaging procedure in which a radioactive-labeled substance is injected into the body to determine the status of a bone injury. If the radioactive substance is taken up by the bone at the injury site, the injury will show as a "hot spot" on the scan image. The bone scan is particularly useful in the diagnosis of stress fractures.

CARTILAGE – Smooth, slippery substance preventing two ends of bones from rubbing together.

CAT SCAN – Use of a computer to produce a cross-sectional view of the anatomical part being investigated from x-ray data.

CHARLEY HORSE – A contusion or bruise to any muscle resulting in intramuscular bleeding.

CONCUSSION – Jarring injury of the brain resulting in dysfunction. It can be graded as mild, moderate or severe depending on loss of consciousness, amnesia and loss of equilibrium.

CONTUSION – An injury to muscle and tissues caused by a blow from a blunt object.

DEBRIDEMENT – Removal of non-healthy tissues and foreign material from a wound or burn to prevent infection and permit healing.

DELTOID MUSCLE – Muscles at the top of the arm, just below the shoulder, responsible for shoulder motions to the front, side and back.

DISC – A flat, rounded plate between each vertebrae of the spine. The disc consists of a thick fibering which surrounds a soft gel-like interior. It functions as a cushion for the spinal column.

FEMUR – Thigh bone; largest bone in the body.

FIBULA – Smaller of the two bones in the lower leg; runs from the knee to the ankle along the outside of the lower leg.

FRACTURE – Breach in continuity of a bone. Types of fractures include simple, compound, comminuted, greenstick, incomplete, impacted, longitudinal, oblique, stress or transverse.

GADOLINIUM MRI – The chemical gadolinium is injected into the joint being studied so as to enhance the diagnosis of the structure under investigation.

GLENOID – Cavity of the scapula into which the head of the humerus fits to form the shoulder girdle.

GRADE ONE INJURY – A mild injury in which ligament, tendon, or other musculoskeletal tissue may have been stretched or confused, but not torn or otherwise disrupted.

GRADE TWO INJURY – A moderate injury when musculoskeletal tissue has been partially, but not totally torn which causes appreciable limitation in function of the injured tissue.

GRADE THREE INJURY – A severe injury in which tissue has been significant, and in some cases totally, torn or otherwise disrupted causing a virtual total loss of function.

GROIN – Junction of the thigh and abdomen; location of muscles that rotate, flex and adduct the hip.

NOTE: This list is not meant to be all inclusive, nor should it be used as a substitute for a physician's diagnosis and/or description of an injury or illness.

HEMATOMA – Tumor-like mass produced by an accumulation of coagulated blood in a cavity.

HYPEREXTENSION – Extreme extension of a limb or body part.

IMPINGEMENT SYNDROME – Pinching together of the supraspinatus muscle and other soft tissue in the shoulder. The most common (throwing) arm injury, which represents many pathologies and generally involves supraspinatus injury.

INFLAMMATION – The body's natural response to injury in which the injury site might display various degrees of pain, swelling, heat, redness and/or loss of function.

LABRUM (Labrum Glenoidale) – The cartilage of the glenoid cavity in the shoulder. A lip edge or lip-like structure.

LATERAL – To the outside of the body.

LIGAMENT – Band of fibrous tissue that connects bone to bone, or bone to cartilage and supports and strengthens joints.

MAGNETIC RESONANCE IMAGING (MRI) – Imaging procedure in which a radio frequency pulse causes certain electrical elements of the injured tissue to react to this pulse and through this process a computer display and permanent film establish a visual image. MRI does not require radiation and is very useful in the diagnosis of soft tissue, disc, and meniscus injuries.

MEDIAL – To the inside of the body.

MEDIAL COLLATERAL LIGAMENT (MCL) – Ligament of knee along the medial aspect that connects the femur to the joint.

MENISCUS – Crescent shaped cartilage, usually pertaining to the knee joint; also known as "cartilage." There are two menisci in the knee, medial and lateral. These work to absorb weight within the knee and provide stability.

METACARPALS – Five long bones of the hand running from the wrist to the fingers.

METATARSALS – Five long bones of the foot, running from the ankle to the toes.

POSTERIOR – At the back part, or rear of the body.

POSTERIOR CRUCIATE LIGAMENT (PCL) – A primary stabilizing ligament of the knee that provides significant stability and prevents displacement of the tibia backward within the knee joint. A complete tear of this ligament necessitating reconstruction could require up to 12 months of rehabilitation.

QUADRICEP MUSCLES "QUADS" – A group of four muscles of the front thigh that run from the hip and form a common tendon at the patella; they are responsible for knee extension.

ROTATOR CUFF – Comprised of four muscles in the shoulder area that can be irritated by overuse. The muscles are the supraspinatus (most commonly injured), infraspinatus, teres minor and subscapularis.

ROTATOR CUFF IMPINGEMENT SYNDROME – A microtrauma or overuse injury caused by stress. The four stages are: 1) tendinitis with temporary thickening of the bursa and rotator cuff 2) fiber dissociation in the tendon with permanent thickening of the bursa and scar formation 3) a partial rotator cuff tear of less than 1 cm and 4) a complete tear of 1 cm or more.

SHIN SPLINT – A catch-all syndrome describing pain in the shin that is not a fracture or tumor, and cannot be defined otherwise.

SPRAIN – Injury resulting from the stretch or twist of the joint and causes various degrees of stretch or tear of a ligament or other soft tissue at the joint.

STRAIN – Injury resulting from a pull or torsion to the muscle or tendon that causes various degrees of stretch or tear to the muscle or tendon tissue.

STRESS FRACTURE – A hair-line type of break in a bone caused by overuse.

SYNOVITIS – Inflammation of the synovial lining of a joint.

TENDINITIS – Inflammation of the tendon and/or tendon sheath, caused by chronic overuse or sudden injury.

TENDON – Tissue that connects muscle to bone.

TIBIA – Larger of the two bones of the lower leg and is the weight-bearing bone of the shin.

ULNAR NERVE – Nerve in the elbow commonly irritated from excessive throwing.

ULTRASOUND – An electrical modality that transmits a sound wave through an applicator into the skin to the soft tissue in order to heat the local area for relaxing the injured tissue and/or disperse edema.

NOTE: The following information is based on the Basic Agreement which was in effect for the 2003-2006 seasons.

TRANSACTIONS AND CONTRACTS

PLAYER LIMITS: 40 until opening day, when the number must be reduced to 25 until September 1, when it again becomes 40. The minimum number of active players maintained by each club throughout the championship season shall be 24.

TRADING REGULATIONS: The trading deadline is July 31. Trades may be made with any other major league club in the period from the end of the championship season through July 31 (4:00 p.m. EDT) without waivers. Waivers are required, however.

1. If the assignment is to another major league club: From August 1 and ending at 5 pm EDT the day after the end of the season.
2. If assignment is to a minor league club, with right of recall, at any time after three years from the date the player first reported to a major league club during a championship season.
3. If assigned to a minor league club without right of recall, after acquiring three years service: At any time during the year.
4. If assigned to a minor league club, without right of recall, at any time prior to acquiring three years of service, special waivers are required between September 1 and the opening of the following season. If player is claimed, request may be withdrawn. If no claims are made, club has 7-day period in which to make assignment to minor leagues.

WAIVERS: a permission granted from all 30 clubs to assign a Major League player's contract to another Major league team or a minor league affiliate. Such permission is granted only for a specific period of time. The actual request is filed through the Commissioner's Office and is not disclosed to the public until the contract is rewarded.

PROCEDURES FOR OBTAINING WAIVERS:

- May request 7 players on any given business day.
- The waivers must be requested by 2:00pm ET on any business day.
- Waiver claiming period expires on the second business day after the initial request at 1:00pm ET.
- A Club desiring the assignment of a player on the waiver wire must submit a claim prior to 1:00pm ET on the last day of the claiming period.
- Priority for the waiver claim awards is given to the Club with the lowest winning percentage in the player's league when there are multiple claims submitted for the same player.
- If only one claim is entered, the claiming Club is eligible to be awarded the player contract.
- There is no specific limit on the number of claims that may be submitted on a particular day. However, no Club is permitted to exceed the 40-man or the 25-man roster limit.
- If a Club is awarded a player on a waiver claim which causes them to exceed the 40-man or the 25-man roster limit they must designate a different player for assignment.

FOUR WAIVER PERIODS:

- November 11-February 15
- February 16-April 28
- April 29-July 31
- August 1-November 10

All waivers that have been granted expire at 5:00pm ET on the last day of a particular waiver period.

TYPES OF WAIVERS

- **OUTRIGHT WAIVERS (OR)** — this type of irrevocable waiver needs to be secured in order to Outright a player. An outright is to assign a player to a club's minor league affiliate without the right of recall. In other words, to remove a player from the 40-man roster. Also a player who has exhausted his options must clear this type of waiver if the club wishes to assign him to minor league affiliate. An outright waiver secured is good for entire waiver period. These waivers are needed from the 31st day of the season through August 31.
- **SPECIAL WAIVERS (SPL)** — also irrevocable, the special waiver is used for the same purpose as an outright waiver. One difference is these waivers are used from September 1 to the 30th day of the following season. A secured special waiver is good for seven days, as opposed to being good for an entire period like the outright waiver.
- **UNCONDITIONAL RELEASE WAIVER (UR)** — this irrevocable waiver is used for the purpose of an unconditional release of a player. At the time of the request the player shall be removed from all player limits. A player may be informed of the club's intention to release him on a weekend, but the actual waiver process won't begin until the following business day. During the time a player is on an unexpired waiver request bulletin he may discuss employment with other clubs but may not contract with another club. If the player has been claimed, he must be informed the end of the two-day period that his contract has been claimed. The player has five days from the time he was notified of the claim to either accept the assignment or terminate his contract. If the player terminates his contract he forfeits termination pay. Termination pay may vary depending on the time of year.
- **MAJOR LEAGUE WAIVER (ML)** — this type of revocable waiver is common and it is used to either option a player to a club's minor league affiliate or assign a player outright to another Major league club from August 1st to the end of the regular season. A player claimed on this type of waiver may be pulled back by the requesting club. This is known as a waiver withdrawal. Generally a club needs to secure this type of waiver in order to option a player if the date of the assignment is three or more years after the date the player first reported to a Major League club during a championship season. One year shall be deducted from the above three-year period for each season in which the player may have been charged with an option prior to first reporting to a Major League club during a championship season. A claimed player pulled back by the requesting club may not be assigned and cannot be placed on waivers again (except for UR waivers) for 30 days. When ML waivers are asked for a second time in the same period the request shall state that it is irrevocable.

ASSIGNMENT OF PLAYER CONTRACTS:

- **Ten and Five Rule:** Players with ten or more years of Major League service (MLS), the last five of which have been with one Club, shall not be assignable to another Major League Club without the Player's written consent.
- When a player with five or more years of MLS is asked by his club to consent to an assignment to the National Association, he has three choices:
 1. Accept the assignment.
 2. Refuse the assignment.
 3. Elect Free Agency.
- Any player who has at least three years of MLS and whose contract is assigned outright to a National Association club may elect, in lieu of accepting such assignment, to become a free agent.

- Any player whose contract is assigned outright to a National Association club for second time or any subsequent time in his career may elect, in lieu of accepting such assignment, to become a free agent. Unlike a player with five or more years of MLS, this type of player does not have the option of refusing the assignment.

OPTIONAL ASSIGNMENT: to assign a player from the active 25-man roster to a minor league affiliate with the right of recall. The player remains on the 40-man roster.

RECALL: to add a player from your reserve limit (40-man roster) to the 25-man roster. This player must serve at least 10 days on option in order to be recalled unless he is replacing a player placed on the disabled list.

OUTRIGHT ASSIGNMENT:

- MAJOR TO MINOR:** to assign a player to the Club's minor league affiliate without the right of recall. The player is removed from the 40-man roster.

Six years of Major League Service continues to be required to be eligible for free agency.

Beginning in 1987, maximum cut rules do not apply if in immediately preceding year player won arbitration increase of over 50%.

Three-man panels heard cases instead of single arbitrators in 50 percent of the cases in 1998, 75 percent in 1999 and 100 percent in 2000 ongoing.

Beginning in 1987, arbitrator is officially instructed to give particular attention for purposes of comparison to salaries of players with Major League Service no more than one annual service group higher than player who is arbitrating.

Major League Clubs shall select in reverse order of their league standing at the close of the preceding season (determined by the percentage of games it won). No club may transfer to another club its right to select.

A selected player shall be placed on a club's Negotiation List and shall remain, thereon until the start of the Closed Period (The seven days preceding the Summer Meeting) of the next selection meeting, unless at an earlier date he (1) signs a contract (2) is removed because he was not eligible for selection (3) becomes a College Player by entering or returning to college.

EMERGENCY DISABLED LIST: Maximum number of players on list at one time no limit. Minimum period of inactivity: sixty (60) calendar days. Players placed on this list after August 1st shall remain there for the balance of the season. This list may only be used when a club is at the maximum limit of 40 players.

If player is released after that 16th day prior to opening day he receives one additional day's pay (over the 30 days) for each additional day.

SERVICE TIME AND ROOKIES

MAJOR LEAGUE YEAR: 172 days constitute a full year in the major leagues.

MAJOR LEAGUE SERVICE:

- is credited for each day the player appears on an active roster or major league disabled list or suspended list.
- in the case of a player called up from the minor leagues, is credited beginning with the date he physically reports.
- in the case of a major league player who is traded and reports in the normal course, service is not interrupted.
- in the case of a player sent down to the minor leagues, is credited through the date of the assignment.
- in the case of a player who is unconditionally released, is credited through the date waivers were requested.
- in the case of a player designated for release or assignment (MLR 2), is credited after the designation, through the date of the actual assignment or the request for unconditional release waivers.
- for a player who appears on his club's opening day roster, is credited as of the earliest scheduled opener, without regard to the actual opening date of his own club.
- is credited at the rate of 172 days per year, though the season is actually 182 days long.

- * is not credited during any period or periods of optional assignment totalling 20 days or more during a single season.

ROOKIE QUALIFICATION: A player shall be considered a rookie unless, during a previous season or seasons, he has (a) exceeded 130 at bats or 50 innings pitched in the major leagues; or (b) accumulated more than 45 days on the active roster of a major league club or clubs during the period of a 25-man limit (excluding time in military service and time on the disabled list).

THE GAME

REGULATION GAME: A regulation game consists of nine innings unless extended because of a tie score or shortened because (1) the home team needs none of its half of the ninth or only part of it; or (2) because the umpire-in-chief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth, or takes the lead or ties the score while at bat in the fifth.

TIE GAME: A regulation game that is called by the umpire-in-chief when both teams have the same number of runs is a tie game. Individual player performances are official and are entered in the records, but the game does not count in the League standings and may be re-scheduled at a later date.

NIGHT GAME: In the American League any game scheduled to start after 5:00 p.m. (i.e. 5:01 p.m. or later), will be considered a night game. If a game is scheduled to start at 5:00 p.m., and is delayed by rain or for any other reason, it will be considered a day game.

However, both games of a two-night doubleheader shall be considered night games. When afternoon and night games are played on the same date and separate admissions are charged, they will be counted as one day and one night game, and will not be included in doubleheader statistics.

SUSPENDED GAME RULE:

Rule 4.12 SUSPENDED GAMES

- A league shall adopt the following rules providing for completion at a future date of games terminated for any of the following reasons:
 - A curfew imposed by law;
 - A time limit permissible under league rules;
 - Light failure or malfunction of a mechanical field device under control of the home club. (Mechanical field device shall include automatic tarpaulin or water removal equipment.)
 - Darkness because of any law, the lights may not be turned on.
 - Weather, if the game is called while an inning is in progress and before it is completed, and one of the following situations prevails:
 - The visiting team has scored one or more runs to tie the score, and the home team has not scored.
 - The visiting team has scored one or more runs to take the lead, and the home team has not tied the score or retaken the lead.
- Such games shall be known as suspended games. No game called because of a curfew, weather, or a time limit shall be a suspended game unless it has progressed far enough to have been a regulation game under the provisions of Rule 4.10. A game called under the provisions of 4.12(a)(3) or (4) shall be a suspended game at any time after it starts.
- By amending NOTE to read as follows:

NOTE: Weather and similar conditions—4.12(a) (1 through 5)—shall take precedence in determining whether a called game shall be a suspended game. A game can only be considered a suspended game if stopped for any of the five (5) reasons specified in Section (a). Any legal game called due to weather with the score tied (unless situation outlined in 4.12(a)(1) prevails) is a tie game and must be replayed in its entirety.

- A suspended game shall be resumed and completed as follows:

- Immediately preceding the next scheduled single game between the two clubs on the same grounds;
- or
- Immediately preceding the next scheduled double-header between the two clubs on the same grounds, if no single game remains on the schedule, or
 - If suspended on the last scheduled date between the two clubs in the city, transferred and played on the grounds of the opposing club, if possible;
 - Immediately preceding the next scheduled single game, or
 - Immediately preceding the next scheduled double-header, if no single game remains on the schedule.
 - If a suspended game has not been resumed and completed on the last date scheduled for the two clubs, it shall be a called game.
 - A suspended game shall be resumed at the exact point of suspension of the original game. The completion of a suspended game is a continuation of the original game. The lineup and batting order of both teams shall be exactly the same as the lineup and batting order at the moment of suspension, subject to the rules governing substitution. Any player may be replaced by a player who had not been in the game prior to the suspension. No player removed before the suspension may be returned to the lineup. A player who was not with the club when the game was suspended may be used as a substitute, even if he has taken the place of a player no longer with the club who would not have been eligible because he had been removed from the lineup before the game was suspended.

AMERICAN LEAGUE CURFEWS: No inning of an American league night game can start after 1:00 a.m., local time. Any inning started prior to 1:00 a.m. can be completed. Curfews shall be waived for the final series of the season between two teams in each of the cities.

Any game, regardless of length, called because of the time curfew, becomes a suspended game and must be completed from the exact point of interruption before the teams play their next scheduled game against each other.

SUSPENDED GAME: For the purpose of this rule, all performances in the completion of a suspended game shall be considered as occurring on the original date of the game.

SCHEDULE: The American League schedule for the 2003 season will be the seventh year to incorporate Inter-League Play. This season will be the first season in which the Blue Jays will take on the NL Central Division and their natural rival, the Montreal Expos. The first five seasons of Inter-League Play the Blue Jays faced only NL East Division teams. In 2002 Toronto played the NL West and Montreal. The 2003 season will also be the third straight season to play an unbalanced schedule after not doing so since 1978. The 162 game schedule will feature 144 games against the AL, 18 against the NL and 76 against the AL East.

PLAYING RULES: Spectator Interference—batter, runner and other runner(s) will be placed at the base(s) which the umpires feel they would have reached with no interference. Time—ball is dead, play suspended. This sign used when ball is foul, umpire then pointing to foul territory.

Batted Balls Fair or Foul—If fair, umpire points to fair territory—if foul he raises arms overhead (as in "Time" above) and then turns and points to foul territory, and vocally calls "foul".

BAT AROUND: When all nine batters in a team's lineup come to bat during an inning.

DESIGNATED HITTER RULE: A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

The designated hitter is eligible for all American League batting titles.

The designated hitter named in the starting lineup must come to bat at least one time, unless the opposition changes pitchers.

SCORING RULE ON PINCH-HITTERS: A player shall be considered a pinch-hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared he will not be considered a pinch hitter during that second time up.

A substitute hitter for a Designated Hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a Designated Hitter only.

DOCTORED BAT: A batter is out for illegal action when he uses or attempts to use a bat that, in the umpire's judgment, has been altered or tampered with in such a way to improve the distance factor or cause an unusual reaction on the baseball. This includes bats that are filled, flat-surfaced, nailed, hollowed, grooved or covered with a substance such as paraffin, wax, etc. No advancement on the bases will be allowed and any out or outs made during a play shall stand. In addition to being called out, the player shall be ejected from the game and may be subject to additional penalties as determined by his League President. (Rule 6.06d)

STATISTICS AND STREAKS

BATTING CHAMPION QUALIFICATIONS: A batting champion must have 502 or more actual plate appearances. (The equivalent of 3.1 appearances for each of the 162 scheduled games.) If, however, there is any player with fewer than the required number of plate appearances whose average would be the highest if he were charged with the required number of official at bats, then the player shall be awarded the batting championship.

EARNED-RUN AVERAGE CHAMPION QUALIFICATIONS: To win the earned-run average championship a pitcher must pitch at least as many innings as the number of games scheduled for each club in his league that season and have the lowest earned-run average.

FIELDING CHAMPION QUALIFICATIONS: The individual fielding champions shall be the fielders with the highest fielding average at each position, provided:

- (1) A catcher must have participated as a catcher in at least one-half the number of games scheduled for each club in his league that season;
- (2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season;

- (3) A pitcher must have pitched at least as many innings as the number of games scheduled for each club in his league that season. **EXCEPTION:** If another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion.

DETERMINING EARNED-RUNS: The determination of earned-run is as follows:

"An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls, and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play."

Until 1989, the reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs, scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

DETERMINING THE MAGIC NUMBERS: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

DETERMINING BATTING AVERAGE: Divide the number of at bats into the number of hits.

DETERMINING EARNED-RUN AVERAGE: Multiply the number of earned runs by nine; take the number and divide it by the number of innings pitched.

DETERMINING SLUGGING PERCENTAGE: Divide the total bases of all safe hits by the total times at bat. (At bats do not include walks, sacrifices, hit by pitcher, or times awarded first base because of interference or obstruction.)

DETERMINING ON-BASE PERCENTAGE: Add the total of hits, walks and hit by pitches and divide by the total of at-bats, walks, hit by pitches and sacrifice flies.

DETERMINING FIELDING AVERAGE: Divide the total put-outs and assists by the total of putouts, assists and errors.

DETERMINING WINNING PERCENTAGE: Divide the number of games won by the total games won and lost.

CREDITING A SAVE: A pitcher shall be credited with a save when he meets all three of the following conditions:

- (1) He is the finishing pitcher in a game won by his club, and
- (2) He is not the winning pitcher, and
- (3) He qualifies under one of the following conditions:
 - (a) He enters the game with a lead of no more than three runs and pitches for at least one inning, or
 - (b) He enters the game regardless of the count, with the potential tying run either on base, at bat, or on deck (that is, the potential tying run is either already on base or is one of the first two batsmen he faces), or
 - (c) He pitches effectively for at least three innings.

TOUGH SAVE: The reliever comes into the game with the tying runs on base and saves the game. Example: Reliever comes in with a 5-3 lead, two outs and the bases loaded in the ninth inning.

BLOWN SAVE: When a relief pitcher enters a game in a save situation and departs or the game ends with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save." (If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity.)

HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on

balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit. The player's individual consecutive-game hitting streak shall be determined by the consecutive games in which the player appears and is not determined by his club's games.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

GLOSSARY OF MINOR LEAGUE TRANSACTION TERMS

Minor League players are generally under contract to a Major League Club and are assigned to play for a Minor League Club (1) that the Major League Club owns or (2) that has a Player Development Contract with the Major League Club. MAJOR LEAGUE BASEBALL CLUB/MEDIA CHAMPIONSHIP SEASON REGULATIONS 2003

The following are Major League Baseball's regulations for Club/Media Relations. They are to be observed by all parties:

1. All accredited press, radio and TV representatives shall have pre-game access to the clubhouse. Each clubhouse is to be open to accredited media from three hours and 30 minutes prior to game time until 45 minutes prior to game time, except when the club is on the field for batting practice.
2. The working media shall have access to both clubhouses no later than 10 minutes following the final out of each game (including doubleheaders and day/night split admission games) for a period no longer than one hour unless reasonable access to players is not provided during that time, except for card-carrying members of the Baseball Writers Association of America, who will have unlimited access. If reasonable access is not provided, the clubhouse must remain open. Members of the media, other than BBWAA members, may make arrangements with the club PR Director for extended access.
3. Media credentials are not transferable.
4. Clubhouses, the dugouts and field are off-limits except to appropriate club, Commissioner's Office personnel and media bearing appropriate credentials. Club credentials are not to be issued to unauthorized personnel. The Commissioner's Office reserves the right to revoke inappropriately issued credentials.
5. Players will be available to the media before and after games for interviews. These periods should not be limited except for the pre-game period described in #1 above. Upon request by the media, players who had key roles in the first game of a doubleheader are to be made available for a time between games.
6. The trainer's room and players lounge may be off-limits to the media but each club controls these areas, and it is vital they not be used as a sanctuary for players seeking to avoid the media. It is very important to our game that ALL players are available to the media for reasonable periods and it is the player's responsibility to cooperate.
7. Ropes or other restraining barriers are not permitted to bar the media. A general code is to be observed by the media so uniformed personnel may do their work unimpeded. Media is to be allowed in foul territory, in an unre-

stricted manner, in an area which is not less than the territory between first and third bases, and which territory includes the area around the batting cage, except the dirt area around the batting cage.

8. Under no circumstances shall any club discriminate in any fashion against an accredited member of the media based upon race, creed, sex or national origin.
9. Physical abuse or threats directed to members of the media (and/or official scorers) by baseball personnel will not be tolerated. Disciplinary action, including fines and suspensions, will be considered in any cases that arise.
10. Visitors in the clubhouse, including accredited media members, should conduct themselves in a professional manner. There shall be no seeking of autographs, no touching or removing of equipment or personal items from lockers, and no sampling of players' food spreads. Clubhouses are work places. Clubhouse business should be conducted as expeditiously as possible with a minimum of disruption of regular game routines.
11. Live TV and/or radio interviews with uniformed personnel during the course of a game are not authorized or permitted, nor is attaching a microphone to any uniformed personnel permitted without approval from the Commissioner's Office. Microphones may not be placed in or adjacent to dugouts and/or bullpens in a manner that will allow uniformed personnel's remarks or conversations to be overheard during the course of a game without the prior approval of the Commissioner's Office.
12. Live telephone interviews are not allowed from the clubhouse or the field without prior approval of the club.
13. Telephones from both dugouts to the press box are to be maintained in working order for the purpose of providing information regarding special circumstances to the media during the course of a game. Explanations of injuries should be made as soon as possible (to both the media and fans in the stadium).
14. Accredited media are not required to sign in for clubhouse access.
15. Any club whose personnel violate these regulations will be disciplined. Any member of the media who violates these regulations will lose his or her accreditation.

CREDENTIAL APPLICATIONS: All news media will be asked to submit a written request for Blue Jays season media credentials on their official letterhead. All requests for season credentials must be received by Friday, February 7, 2003.

SEASON CREDENTIALS: Season credentials will be issued only to those legitimate newsgathering organizations who plan to cover the Blue Jays on a daily basis. Credentials will be issued only to members of the working media 18 years of age and older. NO SPOUSES, GUESTS or CHILDREN OF MEMBERS OF THE MEDIA WILL BE ISSUED CREDENTIALS. MEDIA PASSES ARE NOT TRANSFERABLE. Credentialed members of the media are prohibited from requesting or accumulating autographs or equipment on the playing field or in the dugout and clubhouse. Any violation of these guidelines will result in immediate revocation of the credential and future access. Only credentials issued by the Blue Jays, the American League or the BBWAA will be honoured. All credentials must be visible at all times.

DAILY CREDENTIALS: Daily credentials will be issued to those legitimate newsgathering organizations who do not qualify for season credentials. Any organization who anticipates the need for daily credentials must have a letter on file with the Blue Jays Communications Department. Requests may be sent via fax, but those requests must be made at least 24 hours in advance. Daily credentials are subject to the same restrictions as season credentials and any violation will result in revocation of the credential and any future access.

PHOTO CREDENTIALS: Credentials will be issued to those photographers on assignment for legitimate newsgathering organizations and those representatives of companies licensed by Major League Baseball. Photographers for licensees will only be granted daily passes. NO freelance photographers will be granted credentials and all photographs taken are to be used for newsgathering purposes or officially licensed products. Any other use of photographs taken will be considered a violation of existing trademark and copyright restrictions.

CLUBHOUSE ACCESS: The clubhouse is open to all media with proper credentials 3 1/2 hours prior to each game and then closes 45 minutes prior to the start of each game. It re-opens no later than 10 minutes after each game. Policies regarding access between games of doubleheaders will be

determined by the Blue Jays Communications department. Access to the visiting clubhouse is subject to the visiting club's guidelines.

FIELD ACCESS: All credentialed members of the media will be given access to the playing field prior to each game. No media will be allowed in fair territory or beyond the first and third base bags. All non-uniformed personnel must clear the field at the conclusion of visitors batting practice unless that individual had credentials expressly for in-game field privileges (photo passes, pre-game ceremonies, etc.)

LIVE TRANSMISSIONS: Televisions and radio stations not holding broadcast rights for Blue Jays games will be allowed to transmit live reports prior to and after Blue Jays games. All live television shots will be done on the field. No live shots will be permitted from the clubhouses. No live transmissions inside the stadium by non-rightsholders will be permitted while the rightsholders are on the air or the game is in progress. Radio stations will be permitted to provide "scene setters" and score updates between innings but these reports may not continue once an inning is underway. Any violations of these policies will result in revocation of credentials.

ADMISSION TO SKYDOME: All media covering Blue Jays Baseball will enter the Skydome at Gate #9. All daily media credentials will be available at Gate #9, four hours prior to the game.

AUTOGRAPH REQUESTS: As noted earlier, no members of the media may use their access to solicit autographs or equipment from players or staff of either participating team. Any autograph needs should be directed to the Communications Department. Failure to do so will result in the revocation of credential privileges and forfeiture of any items obtained.

NOTES & STATISTICS: Game information is available in the press box two hours prior to first pitch. Play-by-play sheets, box scores and post-game notes will be distributed to your seat. As well, this information is available at www.mlbpressbox.com

SkyDome became the new home of the Toronto Blue Jays on Monday, June 5, 1989. The retractable roof stadium is the world's most advanced and luxurious ballpark. The stadium employs leading edge technology in both design and function. From the artificial turf to the 161 private SkyBoxes, the finest attention to detail was given.

At conception, SkyDome took an innovative approach to financing, construction and design. Until 1994, SkyDome had been owned by The Stadium Corporation of Ontario, a consortium comprised of both public and private funds. The Province of Ontario and the Municipality of Toronto each contributed 30 million dollars. Joining these two levels of government were 30 Canadian corporations including the Toronto Blue Jays Baseball Club. Each private company contributed 5 million dollars in exchange for preferred supplier status and a SkyBox. The final construction cost of SkyDome exceeded 500 million dollars.

Architects Rod Robbie and Michael Allen designed SkyDome and have patented its retractable roof system. Preparation of the site began in April 1986, with groundbreaking taking place in October of that same year. The last exterior concrete was poured in November of 1988 and the first test

of the moveable roof panels took place in January 1989. More than 10,000 person-years of employment were created by the construction of SkyDome.

The venue is located just to the south and west of the CN Tower, between John Street and Blue Jays Way. A five minute walk from Union Station, it is easily accessible by the TTC or Go Transit. Several public parking lots are within a ten minute walk of the stadium.

SkyDome is home to the Toronto Blue Jays Baseball Club and Toronto Argonauts Football Club as well as playing host to hundreds of other events during the year such as concerts, trade shows and charity functions. Also located in the building is the Renaissance Toronto Hotel at SkyDome, a 348-room hotel with 70 rooms overlooking the field. SkyDome houses several corporate offices for various companies including the Toronto Blue Jays.

One of the unique features of SkyDome is that it can be "transformed" from one mode (ie. baseball) to another mode (ie. football or concerts) within hours. The 100 level seating areas are situated on railway tracks that allow the seats to move for conversion purposes.

SKYDOME PROVIDES BLUE JAYS WITH NEW TURF

The Toronto Blue Jays began playing on a brand new artificial surface (AstroTurf) beginning in 1997. Toronto's SkyDome provided the Blue Jays with a surface to be used for baseball only. The SkyDome now uses a dual turf system for baseball and football with football using the old turf.

The old system required painting football lines on the turf as well as cleaning up the base in-field areas and tobacco stains on the old turf in preparation for football games.

The new turf, AstroTurf stadium surface, was manufactured by Southwest Recreational Industries, Inc (formerly AstroTurf) based in Leander, Texas. The lifespan will now be increased to 14 years because it will only be used for one sport.

The product is the same as the previous turf with the following differences:

- the new underpad will be non-perforated and the fastening system is now velcro (instead of the zipper fasteners on the old turf);
- the velcro is easier to install, faster to install, requires lower maintenance and since the seam is tighter between the turf it will be safer for the players;
- the colour of the turf will be a slightly darker green in order to give it a more consistent look with natural grass and to add more colour contrast for television.

The total price including taxes and duties was \$2,000,000 (CAD).

DUNEDIN STADIUM

Located at the corner of Douglas Avenue and Beltrées Street in Dunedin, Dunedin Stadium is the spring training home of the Toronto Blue Jays.

Spring Training home of the Toronto Blue Jays since the club's first season in 1977 and home of the Dunedin Blue Jays of the Florida State League (A).

From 1977 to 1989 the Blue Jays played at Grant Field in Dunedin, which had a seating capacity of 3,417. In 1990 the City of Dunedin, at a cost of approximately 2.4 million, built a new stadium for the Blue Jays. Dunedin Stadium at Grant Field. The stadium was designed by the architect firm of Johnston Dana Associates and was built by Case Contracting Company of Plant City, Florida. With the construction the stadium saw an increase in the seating capacity from 3,417 to 6,106.

On September 8, 2000 the City of Dunedin and the Toronto Blue Jays reached an agreement to keep the Blue Jays in Dunedin for a minimum of 15 years pending approvals. Under the agreement major renovations would be made to Dunedin Stadium and a new minor league facility would be constructed. The \$12.5 million renovation is being shared between the State of Florida, Pinellas County, the City of Dunedin and the Toronto Blue Jays.

The renovations to Dunedin Stadium, set for completion in February 2002, were designed by the architectural firm HOK Sports + Venue + Event and are being built by J.A. Jones Construction. The changes to Dunedin Stadium will include a new two-story building beyond the right field wall, which will be the site of the Blue Jays clubhouse, training room and weight room on the ground floor with office space for the

major league club on the second floor. The visiting clubhouse will now be along the third-base line. As well, the bleacher seats along the right-field foul line will be removed and permanent seating installed. The dimensions of the stadium will increase in right field from 315 feet to 327 feet. The new capacity for the stadium will be 5,509.

Construction on the minor league facility has been completed for the 2003 season. The Bobby Mattick Training Center is located on the same grounds of the Englebert Complex. The facility features new clubhouses, offices, weight room, five full fields and a half field. Four of the fields will be arranged in a cloverleaf pattern with an observation tower in the middle.
